Modification No. 003

Subject: **Tuition and Fees Installment Program**

- I. The Board of Trustees has established a tuition and fees installment program to assist students in the payment of tuition and fee charges. To use the program, students must be enrolled in credit and/or non-credit courses and have no outstanding obligations to the College.
- II. The Board of Trustees authorizes the President to develop specific criteria and procedures for use of a tuition and fees installment program.

Board Approval: May 21, 1984; July 20, 1992; March 18, 2002.
