POLICY Board of Trustees - Montgomery College

Chapter: Student Affairs
Subject: Tuition and Fees; State Aid

I. Purpose

Maryland law grants authority to the Board of Trustees to set tuition and fees for Montgomery College students, including the authority to “…operate one or more community colleges.” (Education Article of the Annotated Code of Maryland, §16-103 (b)) and to “…charge students reasonable tuition and fees set by it with a view toward making college education available to all qualified individuals at low cost.” (Education Article of the Annotated Code of Maryland, §16-103 (j)).

In addition, the administrative policy of the Maryland Higher Education Commission (“MHEC”) permits approved categories of students to be included in the submission of FTE enrollment of the College for purposes of State Aid; there is no requirement that a category of students not approved for State Aid submission be otherwise submitted for approval by MHEC, unless State Aid is sought for that category of students.

The purpose of this policy is to set forth the basic tuition structure and to meet the MHEC requirements for submission for State Aid, specifically excluding such students from the FTE count if not within a category of students approved by MHEC for State Aid FTE submission. In addition, this policy conforms to any special State policies with respect to tuition rates.

II. Policy Statement

In meeting its responsibilities under the law, and in order to promote the education of all qualified students in the community, it is the policy of the Board of Trustees to provide a quality education at the least cost for residents of Montgomery County and to recent graduates of Montgomery County public schools, leveraging public investment in these students and providing a seamless educational path from grades K to 14. For each fiscal year, and more often as may be necessary, the Board of Trustees shall set appropriate fees and tuition rates in at least three categories: 1. The “C Rate”; 2. The “S Rate”, and: 3. The “OS Rate.”

III. The Board of Trustees authorizes the President to develop specific processes and procedures to implement this policy.

I. Credit Students

A. Applicability of Tuition Rates

Except as otherwise permitted by State or federal law, students attending Montgomery College will pay the tuition based on their place of residence at the time they are admitted to the College. In-county residents, i.e., residents of Montgomery County shall pay the “C Rate.” Students attending Montgomery College that do not qualify for the “C Rate” shall pay the “OS Rate” unless it is determined by the Office of Enrollment Services & Student Financial Aid that the student is a Maryland resident from outside of Montgomery County, in which case the student shall pay the “S Rate.”

B. Determination of Residence and Domicile

1. To qualify as a resident of Montgomery County or the State of Maryland for purposes of determining the applicable tuition rate to be applied, legal domicile must have been maintained for a period not less than three months prior to the first regularly scheduled class for the semester.

2. For a student to be considered as a resident of Montgomery County or the State of Maryland for purposes of determining the applicable tuition rate to be applied, the student must possess the legal capacity under State and federal law to establish Maryland domicile.

3. Domicile shall be considered as "a person's permanent place of abode, where physical presence and possessions are maintained and where he/she intends to remain indefinitely. The domicile of a person who received more than one-half of his/her financial support from others in the most recently completed year is the domicile of the person contributing the greatest proportion of support, without regard to whether the parties are related by blood or marriage."

4. At the time of admission to or initial enrollment in any credit course at Montgomery College, each student shall sign a statement affirming domicile and the factual basis for the claim of domicile. If facts indicate the domicile has changed, the student shall indicate whether his/her domicile is the same or different from previous signed statement affirming domicile.

5. A domicile in Montgomery County of the State of Maryland is lost when a new domicile is established for a period of three months at a location outside the County or State.

6. An individual's immigration status shall not preclude award of Maryland residency under this policy if the individual has the legal capacity to establish domicile in Maryland.
C. Proof of Residency

In determining the adequacy of the factual basis for domicile provided by the student, the College will consider any of the following factors and request evidence for substantiation:

1. Ownership or rental of local living quarters;
2. Substantially uninterrupted physical presence including the months when the student is not in attendance at the College;
3. Maintenance in Maryland and in the County of all, or substantially all, of the student's possessions;
4. Payment of Maryland State and local piggyback income taxes on all taxable income earned, including all taxable income earned outside the State;
5. Registration to vote in the State and County;
6. Registration of a motor vehicle in the State, with a local address specified, if the student owns or uses such a vehicle; or
7. Possession of a valid Maryland driver's license, with a local address specified, if the student is licensed anywhere to drive a motor vehicle.

D. Reclassification of Residency

A person shall be provided the opportunity to request a change in residence classification or to appeal current classification within a reasonable time after the decision by the College. Appeals for changes of resident classification must be accompanied by evidence justifying such changes and must be processed prior to the end of the third week of fall and spring classes or the first week of winter and summer classes. Any changes processed after the third week of classes will be effective the following semester. Appeals shall be submitted in writing to the appropriate Campus Registrar.
