2022 Montgomery College Arts Institute

## Dear Friends of Montgomery College Arts,

Welcome to the fall semester! It is exciting to see so many students and such a bustle of creative activity on all three of our campuses. In addition to our extensive class offerings in virtually every area of the arts, there are new lectures, workshops, concerts, and exhibitions planned throughout the semester.

As always, our diverse and high-quality programming in the visual and performing arts promises to be both compelling and inspiring, showcasing student, faculty, and professional work in music, theatre, dance, media arts, and the fine arts. The combination of our excellent comprehensive curricula and these outstanding arts offerings will help us to serve MC students, patrons, and the community, both on-campus and in the greater Montgomery County area.

Highlights of the fall semester include: The Big Ink Residency and Exhibition; presentations of Ukrainian music and dance; a theatre production of *The 25th Annual Putnam County Spelling Bee*, which will play in three different campus locations; the Maryland Band Director's Band; a Faculty/Staff Art Exhibition; the North American Indian Cello Project; guest artist Wayson Jones; and the MC Jazz Ensemble.

Please join us for the exciting music concerts, the fascinating world arts events, the captivating theatre and dance performances, and the wonderful arts exhibitions, on all three Montgomery College campuses.

In addition to a full complement of classes for credit, we offer noncredit courses in every discipline through our Community Arts program at [montgomerycollege.edu/communityarts](http://montgomerycollege.edu/communityarts). Remember, there is something for everyone in the arts at Montgomery College.

I hope that you will you consider attending an event, class, or workshop on campus or online very soon.

I also hope you can find a way to show your support for our students in the form of a Scholarship Donation. To make a gift, visit: [montgomerycollege.edu/onlinegiving](http://montgomerycollege.edu/onlinegiving) and select other under "Give to a program fund or different area of support," and type in Carol Trezza Scholarship for the Arts. Thank you for your support!

Thank you for your support and see you soon.

# The Arts at MC Need Your Support

During these difficult times, the arts are more important than ever. The exhibitions and performances produced at the College are essential to our students, the MC faculty and staff, and the greater Montgomery County community, yet we have never faced more challenges.

Your gift can provide life-changing support to Montgomery College students enrolled in arts courses on all three campuses. Your generous donation could supply scholarship funds, art supplies, and diverse learning opportunities.

For example:

- \$2,000 could help support guest artists to exhibit their work, offer workshops, or give guest lectures to our students.

- \$1,000 could provide for a student internship at a local arts organization.

- \$500 could pay for one three-credit course for a student.

- \$100 could pay for art supplies for one student each semester.
