**2023 Montgomery College Arts Institute**

## Dear Friends of Montgomery College Arts,

Welcome to the beginning of the (very warm) fall semester! The new school year is such an incredible time at MC. It is wonderful to see the campus bustling with excitement as new and returning students fill our classrooms.

We are also excited for the terrific lineup of arts events this semester.

Our diverse and high-quality programming promises once again to be both compelling and inspiring, showcasing student, faculty, and professional work in music, theatre, dance, media arts, and the fine arts. Combined with our excellent courses, these outstanding arts offerings will help us to serve MC students, patrons, and the community, both on campus and in the greater Montgomery County area. And, as always, in addition to our extensive arts offerings in virtually every area of the arts, there are many new lectures and workshops planned throughout the semester.

During the spring semester, due to some facilities renovations, some of our galleries and studios were closed. But our renovations are complete, and those galleries are now open.

Highlights of the fall semester include: an Afghan music workshop, our Annual Faculty and Staff Art Exhibition, a new theatre production of the musical *A New Brain*, the Portraits of Life exhibition, our Fall Dance Concert, several artists in residence, and the MC Jazz Ensemble in concert.

In addition to a full complement of classes for academic credit, we offer noncredit courses in every discipline through our Community Arts program at [montgomerycollege.edu/communityarts](http://montgomerycollege.edu/communityarts). Remember, there is something for everyone in the arts at Montgomery College.

I hope to see you at one of our arts events, classes, workshops, or lectures very soon—either on one of our three campuses or virtually.

I also hope you can find a way to show your support for our students in the form of a scholarship donation. To make a gift, visit [montgomerycollege.edu/onlinegiving](http://montgomerycollege.edu/onlinegiving) and select “other” under “Give to a program fund or different area of support,” and type in “Carol Trezza Scholarship for the Arts.”

Thank you for your support and see you soon.

# The Arts at MC Need Your Support

During these difficult times, the arts are more important than ever. The exhibitions and performances produced at the College are essential to our students, the MC faculty and staff, and the greater Montgomery County community, yet we have never faced more challenges.

Your gift can provide life-changing support to Montgomery College students enrolled in arts courses on all three campuses. Your generous donation could supply scholarship funds, art supplies, and diverse learning opportunities.

For example:

- \$2,000 could help support guest artists to exhibit their work, offer workshops, or give guest lectures to our students.

- \$1,000 could provide for a student internship at a local arts organization.

- \$500 could pay for one three-credit course for a student.

- \$100 could pay for art supplies for one student each semester.
