2021 Montgomery College Arts Institute

Dear Friends of Montgomery College Arts,

Welcome to the fall 2021 semester. The spring term was a most unusual one to be sure, but in spite of the many challenges we faced, our faculty persevered and continued to generate some really innovative and very interesting work. While many of us thought we would be a bit more back to "normal" by now, we continue to face unprecedented challenges.

With a tremendous dedication to our students and an overwhelming desire to create, faculty were able to present an outstanding group of virtual arts events in spring that were bold, original, and inspiring.

Our talented faculty members continue to be imaginative and experimental in their work, and their resourcefulness has given rise to even more new ideas and energy—not only in content, but in mode of presentation too. The result is an expanded group of highly original arts events for the coming semester.

Highlights of the fall 2021 season include live theatre productions of some important works (including *The Burn*, among others). In addition, Music Professor Dawn Avery has scheduled some wonderful World Arts Festival workshops and performances on Zoom. In the visual arts, we will be offering a variety of fantastic virtual exhibitions, talks, and workshops by professional guest artists. Be sure to check our exciting schedule and register for virtual arts events at montgomerycollege.edu/artsinstitute.

We hope you will join us for some inspiring and novel arts events this semester: the wonderful theatre performances; the delightful music events; and the outstanding exhibitions and artist talks. There is something for everyone.

In addition to the full complement of remote and distance-learning classes for credit, please don't forget to explore our noncredit course offerings in every discipline through our Community Arts program at montgomerycollege.edu/communityarts. Remember, there is something for everyone in the visual, performing, and media arts at Montgomery College.

I hope you consider enrolling in a course and/or attending arts events this semester. "See" you very soon at a lecture or workshop, in a class, or at a show!

Discover the Arts at Montgomery College

At Montgomery College, students get a great education at a fraction of the cost of four-year colleges, universities, and art schools. We offer degrees and programs in the visual and performing arts, including classes in: studio art, graphic design, TV and radio broadcasting, music, theatre, dance, photography, game design, and animation. If you would like to learn more about studying the arts at Montgomery College, please visit montgomerycollege.edu/arts or visit the various art department sites. You can also visit the Arts Institute site at montgomerycollege.edu/artsinstitute for news and information.

The Arts at MC Need Your Support

During these difficult times, the arts are more important than ever. The exhibitions and performances produced at the College are essential to our students, the MC faculty and staff, and the greater Montgomery County community, yet we have never faced more challenges.

Your gift can provide life-changing support to Montgomery College students enrolled in art courses on all three campuses. Your generous donation could supply scholarship funds, art supplies, and diverse learning opportunities.

For example:

- \$2,000 could help support guest artists to exhibit their work, offer workshops, or give guest lectures to our students.
- \$1,000 could provide for a student internship at a local arts organization.

- \$500 could pay for one three-credit course for a student.

- \$100 could pay for art supplies for one student each semester.

To make a gift, please visit montgomerycollege.edu/onlinegiving and select other under “Give to a program fund or different area of support,” and type in TU2276 Art Emergency Fund.

We hope you will visit our outstanding venues for arts and entertainment when the College reopens.
