Notify the Macau Millennium College (MMC) representative prior to arriving in Macau of your flight information and the approximate time of arrival. The MMC contact person will arrange to meet you at the airport to transport you to your apartment.

The best means of transportation is a direct flight on Eva Airlines, A Taiwanese airline that flies directly from Washington, DC to Macau/Macao. A Macau Millennium College (MMC) representative will meet you at the airport.

See the **Resources** page of this website for additional travel information.

The area code for Macau is 853; however, once in Macau, you should not need to use the area code. There is a phone in your apartment to make local calls out, but the system does not allow you to receive incoming calls. It is recommended that you bring or buy an unlocked cell phone and purchase a phone card locally.

Campus & Facilities

The main campus of Macau Millennium College is located in China Civil Plaza, Macau. The first phase of operation involves only the 8th and 9th floors totaling over 40,000 sq. feet. Teaching facilities include 20 state-of-the-art multimedia equipped classrooms, 3 computer and language laboratories, and library, all accommodating more than one thousand students. In addition to a 200 auditorium on campus, the College can arrange teaching facilities that accommodate 200 students off campus at Seng Heng Bank Auditorium, or at the Landmark Training Centre.

MMC's downtown campus is located in the Kam Pek Town Centre and can provide 4-5 classrooms for teaching.
