Beginning with terms starting after December 17, 2021, students using their Post-9/11 GI Bill® benefits at an Institution of Higher Learning (IHL) facility will be required to verify their enrollment at the end of each month. **Failure to verify for two consecutive months will impact their Monthly Housing Allowance (MHA) and/or kicker payments.**

**Enrollment verification is a new requirement for Post-9/11 GI Bill students** to verify that they have remained enrolled in the same courses or training every month. Students who receive MHA/kicker payments will have their payments withheld if they fail to verify or report that they are no longer enrolled in their courses or training. To streamline the process, VA is providing the option to verify enrollment easily and securely via text message. Read more below.

This requirement is only for Post-9/11 GI Bill and does not impact other programs, including Veteran Employment Through Technology Education Courses (VET TEC), Survivors’ and Dependents’ Educational Assistance (DEA), Veterans’ Educational Assistance Program (VEAP), or the Edith Nourse Rogers STEM Scholarship.

If you are a Montgomery GI Bill® (MGIB) student, this new requirement does not represent a change for you, as MGIB students are already required to verify enrollment.

**How do I verify enrollment?**

You can verify enrollment using the following methods:

- **Via Text Message**  
  Students with a U.S. mobile phone number can use text messages as a simple, quick option for verifying monthly enrollment. You will receive the following opt-in text: “POST-9/11 GI BILL HOUSING AND KICKER PAYMENTS NOW REQUIRE MONTHLY ENROLLMENT VERIFICATION. WOULD YOU LIKE TO SUBMIT YOURS VIA TEXT? PLEASE REPLY YES OR NO.” Reply “YES” to opt in. The text message link will expire **14 days after receipt**, so please respond within that time frame. After opting in, you can verify your enrollment simply by responding to the following text message from VA: “DID YOU REMAIN ENROLLED IN YOUR COURSES IN MON YYYY AS CERTIFIED? PLEASE REPLY YES OR NO. IF YOU HAVE DROPPED ALL YOUR COURSES, YOU MUST REPLY NO.” Reply “YES” to verify enrollment for the previous month.

  Please be assured that enrollment verification via text message is safe and secure. The VA will **never** ask for your personal information, such as social security number or bank account information, via text.

  **VA strongly recommends this method** for verifying enrollment. It will be easier and faster than calling the ECC.

  If you’re not sure if VA has your phone number on file, please contact the Education Call Center (ECC) at 1-888-GIBILL-1 (1-888-442-4551) to ensure VA has your mobile phone number.

- **Via Education Call Center**  
  Contact the ECC at 1-888-GIBILL-1 (1-888-442-4551) and ask a representative to verify
What happens if I fail to verify my enrollment?

If you fail to verify enrollment for two consecutive months, your MHA/kicker payments will be placed on hold. You must take steps to verify your enrollment to have the payments released.

Why am I being required to verify my enrollment?

By regularly verifying your enrollment, you protect your GI Bill entitlement by preventing charges for classes or training you did not attend. Though this new requirement is an additional step, enrollment verification is easy to do and will help you better manage and access your earned benefits, as well as help prevent overpayments.

If you have questions about the monthly verification requirement or if/when it applies to you, contact a VA education representative at 1-888-GIBILL-1 (1-888-442-4551) domestically or 001-918-781-5678 overseas.

Reminder: COVID-19 legislation that permits students to receive MHA at the resident rate, while taking approved converted online (remote) courses, will end on December 21, 2021. When enrolling for courses in 2022 or any subsequent term, students will need to enroll in approved resident classes to continue receiving their MHA at the resident rate. Additionally, if a student is enrolled in converted courses that continue past December 21, 2021 AND have been receiving their MHA at the resident rate due to COVID-19, their MHA will be reduced to the online rate on December 22, 2021.

Please complete and submit the request for certification form if you plan to attend and use your military educational benefits. The request for certification form MUST be completed and submitted every term you wish to receive your GI Bill or TA benefits and may not be used for more than one term. By completing and submitting this form we can place a “hold” on your class schedule so your courses are not dropped for non-payment while we process your file with the VA. Please email this form to va@montgomerycollege.edu.

*Disclaimer: the charts above are to be used as guidelines only. To find out exactly what your housing allowance/stipend will be you must contact the VA directly at 1-888-GI BILL.*

- Housing, books and supplies stipends are paid “in arrears.” This means that housing stipend for the month is usually paid the beginning of the following month. We expect the first allowance/stipend payments of the Spring 2022 term to be paid at the beginning of March and will include your February housing allowance/stipend and the prorated portion of your January housing allowance/stipend.

- The housing allowance and stipends are only paid for the duration of the classes you are enrolled in. For example: if you are enrolled in a class that ends on March 15 your last payment for the class would be paid in April and it would be prorated for 15 days.

- Full-time students taking all online (distance learning) courses will receive a housing allowance of $825.00 per/month.

- Remedial/developmental courses must be taken in person.

- 3 credits hours is considered full time for winter term. We expect Winter housing allowance/stipend payments to be paid in February and payments will be a prorated amount for December and January.
