Greetings arts community,

Welcome to another semester with Community Arts! As we head out of the daze of summer and settle into a fall routine, we look forward to seeing you for some arts classes. We’re getting back into gear with our art career training classes, adding Starting an Arts Business, Festival Selling, and Intro to Museums to the mix. In Performing Arts, we’ve expanded our co-listed options considerably. I’m particularly excited about Music Recording Techniques and the comeback of Music Technology. We’ve also added a new level of sewing, where you’re full-on making clothes! I expect all of these classes to be harbingers of things to come.

I hope you’re enjoying the current direction of our program. The spectacular Community Arts faculty and I have been working hard to revamp our offerings to cater to the wants and needs of our post-pandemic community. If you have opinions about what we should be doing, feel free to weigh in!

See you this fall on one of our campuses or virtually.

Thank you,

John Deamond
Community Arts Program Director

**CO-LISTED CLASSES**

Some of our classes are co-listed with credit classes. The two sections meet together, and students are held to the same expectations. The only differences are that non-credit students do not have to apply to the college, do not receive a final grade, and seniors can sign up at any time and receive a waiver. Co-listed classes usually have a small number of seats (2-5), so sign up before it’s too late!

**AGE LIMIT:** All classes are for students age 16 and older. We occasionally make exceptions for 14-15-year-olds; please contact us for more information.

**TUITION WAIVER:** Marylanders 60 and older are eligible to pay fees only.
TYPES OF CLASSES OFFERED THIS SEMESTER:

[campus name]: The class meets on campus in its entirety.

Distance Learning: The entire class is self-paced. Students will work with resources provided by the instructor with access to instructor guidance, but will not meet with the rest of the class as a group. Students may interact with one another via discussion board, email, or other means.

Structured Remote: The class meets as a group through a videoconferencing tool like Zoom. Some sections meet this way for the whole class period, while others have a shortened class period supplemented by self-paced content. See section notes for details.

*Artist: Nancy Goor  •  Title: Pastoral Scene*

I had done a lot of silk-screening over the years but stopped because the inks were toxic. I was excited to find Montgomery College was now giving a serigraphy class. The instructor, Kevin Bowman, was highly rated, and as it turned out deserved every word of praise. He introduced new (to me) methods and gave the class inspiration and support. As you can see, Pastoral Scene took many screens because it has so many colors, but I enjoyed creating it immensely.
