Are you looking for a new or better job in the carpentry, heating/air conditioning, or electrical field? Do you want to learn mathematics and more English for that job? Would you like to learn building and/or construction vocabulary?

If you answered “yes” to these questions, and qualify, this training is for YOU!

This class will help students learn the English and basic skills they need to work in entry-level building trades jobs.

To learn more about the class, go to: https://www.montgomerycollege.edu/workforce-development-continuing-education/english-language-skills/workplus/vocational-esol.html

Class Schedule
Monday-Thursday: (6:30-9:30 pm)
July 10 - Aug 14, 2023
Class will meet online (via Zoom)
