Students must understand and meet all requirements and/or standards imposed by recognized professional societies and all contract requirements imposed on College students by the institution or agency where the clinical practice is to occur.

For details, visit www.montgomerycollege.edu/wdce/healthsciencesinstitute.html
All Health Sciences Students:
Students must understand and meet all requirements and/or standards imposed by recognized professional societies and all contract requirements imposed on College students by the institution or agency where the clinical practice is to occur. Please see our website for details. Although classes in the brochure may reflect face-to-face meetings, please note, until further notice from the Montgomery County Leaders, classes will be taught online via Zoom and/or Blackboard learning systems. Therefore, you will need a computer, laptop, tablet, or smartphone camera ready with speakers, internet access and a browser that is current.
If clinicals resume, COVID19 training will be required prior to entry into the healthcare facility. Face masks, social distancing, and frequent hand-washing is also required. For classes that are scheduled to be on campus, You are required to wear a mask, wash hands before entering or leaving building or classroom, wash your hands before and after using equipment, and practice social distancing as required by the CDC. Please check the website for updates: https://www.montgomerycollege.edu/wdce/health-sciences

Health Care Courses

Medicine Aide Update

Find out about new medications, procedures, and protocols, and get the training needed to satisfy recertification requirements for medicine aides. Prerequisite: Applicants must present a current Medicine Aide certificate and Geriatric Nursing Assistant license upon arrival at the class. Students may only register 90 days before their certification expires or within 30 days after expiration of their certificate. Please check your expiration date before registering for this course. This class will also have online components. You will receive a Zoom invite for those. Last day to enroll for this course is the Friday before start date. TWA

Clinical Medical Assistant

Clinical Medical Assistant Program TIP
This program will train you to assist physicians by performing functions related to the clinical responsibilities of a medical office. Instruction includes preparing patients for examination and treatment, routine laboratory procedures, diagnostic testing, technical aspects of phlebotomy, and the cardiac life cycle. You will review important topics including phlebotomy, pharmacology, the proper use and administration of medications, taking and documenting vital signs, cardiology including proper lead placements, professional workplace behavior, ethics, and the legal aspects of healthcare. This program includes 96 hours of classroom lecture and hands-on labs and a clinical externship opportunity (Course# HHS126) at a local healthcare provider. To be eligible for the clinical rotation, you must successfully complete the 96-hour course, submit to a thorough background check and drug screening, and meet other requirements. Note: Upon successful completion of this program, students would be eligible to sit for the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. This course is VA-approved for GI Bill benefits. TWA

Course: HHS112 96 Hours
1,680 + 600 fee = 2,280; NMR add 1,050

Take with HHS126 CRN 34564 or 34565

Clinical Medical Assistant—Labs and Clinical Externship TIP
This 90-hour course serves as the required lab (40 hours) and clinical externship (50 hours) part of the Clinical Medical Assistant Program. Focus will be on the clinical responsibilities of the medical office; assisting the physician with patient contact and related care; preparing patients for examination and treatment; routine laboratory procedures and diagnostic testing; HIPAA and patient confidentiality, the legal aspects of healthcare and related regulatory issues; recording and taking vital signs, blood pressure, and other patient care items related to the physicians office visit; review and administration of medications, allergies, and other pharmacology related items; laboratory procedures; phlebotomy and the proper techniques to collect specimens for laboratory analysis; and cardiology and the proper placement of leads when taking a 12 lead EKG. To be eligible for this course, you must be enrolled in and/or have successfully completed the 96-hour classroom program, submit to a thorough background check and drug screening, and meet other requirements. Upon successful completion
of both courses, you would be eligible to sit for the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. TWA

**Health Career Training**

**EKG Technician**  
Prepare to take the Electrocardiograph (EKG) Technician exam offered by the American Society of Phlebotomy Technicians (ASPT). EKG technicians work in physician offices, hospitals, clinics, and other health care facilities, and are responsible for performing electrocardiogram tests to monitor and record electrical impulses transmitted by the heart. This course includes background information on anatomy and physiology of the heart, medical disease processes, medical terminology, medical ethics, and legal aspects of patient contact. Learn the function and proper use of the EKG machine and the Holter Monitor, and demonstrate lead placement for a 12-lead electrocardiogram. Compare normal and abnormal EKG printed readings and measure various peaks and troughs. TWA

**Course: HHS051**  50 Hours

---

The Maryland Board of Nursing requires that all classroom and clinical hours are completed. If any class is canceled due to inclement weather, there will be a make up session added.

**Pharmacy Technician Certification**  
This comprehensive 72-hour course will prepare students to enter the pharmacy field and take the Pharmacy Technician Certification Boards PTCB exam. A GED or High School diploma is required to sit for the PTCB exam. Technicians work in hospitals, home infusion pharmacies, community pharmacies, and other health care settings working under the supervision of a registered pharmacist. Course content includes medical terminology specific to the pharmacy, reading and interpreting prescriptions, and defining drugs by generic and brand names. Students will learn dosage calculations, I.V. flow rates, drug compounding, dose conversions, dispensing of prescriptions, inventory control, and billing and reimbursement. Students successfully completing this course will receive pre-paid vouchers to take the PTCB exams. These vouchers are valid for 90 days past the date of the last class. Exams must be taken during that time. TWA

Phlebotomy Technician—Clinical Internship
This class includes a 40-hour clinical opportunity at a local healthcare provider. In addition to other requirements, to be eligible for this Phlebotomy Technician Clinical Internship class, you must have completed or currently be enrolled in Montgomery Colleges 90-hour Phlebotomy Technician Program. Additionally, you must submit to a thorough background check and meet other requirements. These costs are not included in the tuition and fees for this class. Special requirements include Hepatitis B immunization, negative tuberculosis test, and blood test to check immunity statutes: Varicella Zoster IgG Ab; Rubella IgG; Rubeola IgGAb; and Mumps IgG Ab. Information concerning these requirements will be provided the first night of class. This class must be taken with Phlebotomy Technician (HHS034). TWA

Course: HHS115  40 Hours

Nursing Related Courses

Advanced Skills for Certified Nursing Assistants (CNAs)
This course is an 80 hour hospital-based program designed for certified nursing assistants (CNAs) to develop advanced skills seeking employment as a Patient Care Technician in a hospital/acute care setting. Students will learn to perform advanced skills such as intravenous therapy site care, electrocardiograms (EKG), bladder scans, wound care, urinary cauterization care, blood glucose monitoring, preoperative/post operative care, tracheostomy care, phlebotomy and more. Participants of this program MUST HAVE AN ACTIVE CNA CERTIFICATION IN GOOD STANDING with the Maryland Board of Nursing and an active BLS/CPR certification. After successful completion of this course students will receive a certificate of completion from Montgomery college and will be eligible to take the PCT/A certification examination. TWA

Coronavirus and Course Locations:
Some Health Sciences clinicals may reflect on campus locations; however, until COVID restrictions are lifted, clinicals may start through Structured Remote teaching.
Certified Nursing Assistant/Geriatric Asst

To register for CNA courses you **MUST ATTEND** the **FREE** orientation session which includes the FREE mandatory reading and math test that you must pass to register.

All payments for CNA Classroom and CNA Clinical and additional fees are due at time of registration. Seats for the Classroom and Clinical are limited.

You must be at least 18 years old and have a Social Security Number or Tax Identification Number for the Maryland Board of Nursing licensing process upon successful completion, as well as a Social Security Number for nursing homes that require criminal background checks prior to being on their premises for educational purposes.

**Additional Fees:**
There will be additional fees for Immunizations, physical exam, TB test, CPR training, CNA application, GNA application, fingerprinting, and uniforms. These costs will be discussed at orientation.

**Mandatory Nursing Assistant and Geriatric Nursing Assistant Online Orientation:**

Questions? AFTER viewing the online orientation, contact healthsciencesnoncredit@montgomerycollege.edu

**Certified Nursing Assistant Classroom (CNA)**

Through lecture, discussion, and hands-on practice you will learn basic nursing skills such as taking vital signs, assuring patient safety, and caring for patients with Alzheimer’s disease and related disorders. After successful completion of the classroom and clinical portions, you will receive a certificate of completion from Montgomery College. You may then apply to take the Geriatric Nursing Assistant Licensing examination. **Prerequisites:** Attending the CNA Orientation Session and scoring at least 80% on both the mandatory reading and math tests. A criminal background check is required; obtain a CPR Health Provider certification before the midterm; a negative TB skin test (PPD) or chest x-ray may be required before class starts. TWA

Course: AHT028 88 Hours  $840 + $275 fee = $1,115; NMR add $650

**Certified Nursing Assistant Clinical (CNA)**

This course is only for students who have successfully completed Certified Nursing Assistant—Classroom (AHT028). TWA

Course: AHT223 60 Hours  $770 + $155 fee = $925; NMR add $400

The corresponding classroom and clinical MUST be taken together, no substitutions.

*You must wear uniforms on first day*

Basic Cardiac Life Support for Healthcare Providers

This course teaches basic life support (BLS) to healthcare professionals and rescue personnel. You will learn adult, infant, and child cardiopulmonary resuscitation (CPR) with the use of the automated external defibrillator (AED), training in rescue breathing with barrier devices and the use of bag-masks, as well as foreign-body airway management. You will receive a American Heart Association BLS Healthcare Provider card link to print your CPR card which is valid for two years after successfully completing the written exam and skills tests. You must attend the entire session to receive a card. This course is primarily for those working in the health-care field (nurses, EMTs, respiratory, physical & occupational therapists, medical/nursing students, and other allied health personnel). The course cost includes textbook, BLS for Healthcare Providers Student Manual. Note: Students must be aware that classes may run longer than the posted times due to class size and/or other factors outside of the instructors control. Courses may be cancelled due to insufficient enrollment. Wear comfortable clothes and bring a towel or blanket for CPR practice. Registration deadline is 3 p.m. on the Friday, before start date. TWA

Resilient MC

Throughout the ongoing pandemic, Montgomery College has prioritized the health and safety of its students and employees above all else. As we move into the next phase of teaching, learning, and working, this will continue to guide all of our decisions about the structure of our education programs and delivery of key services.

Watch and listen to our Conversation with Leadership: Resilient MC, where MC President DeRionne Pollard and senior vice presidents shared how the college is planning for the next phase of its resilient response to COVID-19.

CRN#: 34069 1 Session S
3/6 8 a.m.-5 p.m.

NOTE: NUR023: NUR023 is part of the Classroom and Clinicals course series. Due to Covid regulations, please check with us on the course locations for the labs. These classes may begin as Structured Remote.

Nurse Refresher Course—Online

This course is designed for RNs and LPNs who desire to maintain or re-establish their active license to reenter the nursing field. The program includes both online and hands-on experience. Theory will be delivered totally online and will include: online lectures to include topics such as reviewing anatomy and physiology, major disease pathology, current treatment strategies, legal issues, pharmacology, physical assessment, nursing process, documentation, current trends, evidence-based practice, end-of-life issues, videos, discussion groups, and other learning activities. You must register for Nursing Lab (NUR023) and Nusing Clinical (NUR007) Attendance is required for the on-Campus lab which will be taught at Montgomery College and clinical will be taught off-Campus. This class will also have online components. You will receive a Zoom invite for those. TWA

Course: NUR069 100 Hours
1,235 + 235 fee = 1,470; NMR add 650

Hybrid (TP/SS Campus for labs and DL)
CRN#: 34077 1/25-3/5
Mandatory labs on Saturdays: 2/6, 2/13, 2/20 from 9 a.m.-1 p.m.

NOTE: NUR069: Due to Covid regulations, please check with us on the course locations for the labs.

Coronavirus and Course Locations:

Some Health Sciences clinicals may reflect on campus locations; however, until COVID restrictions are lifted, clinicals may start through Structured Remote teaching.
Nursing Refresher: Clinical Tip

Practicing nurse experts supervise your 60 hours of clinical experience in medical-surgical nursing, which includes patient assignments, team work, completing documentation and care plans, and giving medication. Basic skills lab practice and emergency medicine review will be provided. You must register for the classroom, clinical, and lab in order to use the payment plan. Prerequisite: Concurrent enrollment in NUR057 and NUR023. TWA

A. Nursing License: If your Maryland license has lapsed, you must apply for, pay for, and receive an inactive license. If you have an active license from any state other than Maryland, you must apply for and receive a Maryland license before starting your clinical.

B. CPR Certification: This must be a healthcare provider-level course from American Heart Association.

C. 1. A complete physical exam, signed by your health provider, within 9 months of the start date for clinical. (You must use the Montgomery College Nurse Refresher Health form).

2. Proof of immunity to the following diseases: *Mumps, Measles (Rubeola) and Rubella: Must provide serologic evidence that you are immune to Mumps, Measles and Rubella (positive titer). If blood titers are negative for any of these 3 diseases, you must receive two (2) doses of Mumps, Measles and Rubella vaccine (MMR) given 4 weeks apart. (Information documenting past MMR vaccinations is appreciated but cannot take the place of the titer test results.)

*Varicella: Must provide serologic evidence that you are immune to Varicella (positive titer). If titers are negative, you are required to receive two (2) doses of Varicella vaccine given 4 weeks apart. (Documentation of childhood disease will not be accepted).

*Hepatitis B: Three (3) doses of Hepatitis B vaccine given 0.1, and 6 months apart, followed by Hepatitis B surface antibody testing 1-2 months after dose #3 is required. If you cannot provide documentation of the 4-step vaccination process described above, you must obtain serologic evidence of immunity (positive Hep Bs Antibody titer). If this titer is negative for immunity, the vaccination series must be repeated.

*Tetanus, Diphtheria, and Pertussis: Documentation of one (1) dose of Tdap vaccine (not to be confused with Dtap) in the past two (2) years, regardless of when the last Tetanus and Diphtheria vaccine was given.

*Influenza: Vaccine is to be given at least 1 month prior to the start date for clinical. Please note: Vaccine series must be completed by the second week of class. All laboratory titers must have date blood was drawn as well as test results.

3. Tuberculin Skin Test: (Mantoux Tuberculine test) within 9 months of the start date for clinical is required. If test results show TB exposure in the past or present, you must obtain clearance from your health provider that you are able to attend clinical. A chest x-ray may be needed. (Use the Montgomery College TB clearance form which will be provided with the Health Inventory Form when getting evaluated.)

2/13-2/20 7:30 a.m.-4 p.m.
Registration Options

Regardless of which registration option you select, registrants will be enrolled in the order that registration and payments are received (to avoid disappointment, register early); payment is required at the time of registration. All students must register prior to attending the first class.

Payments

Payment MUST be made IN FULL at the time of registration to avoid being deleted from the course. Complete information is required to process all registrations and payments. Further instructions for WEB, FAX, or MAIL-IN payments can be found at www.montgomerycollege.edu/wdce/registerops.html.

Registration will not be processed without appropriate payment.

Option 1: In-Person Registration
A completed form with payment may be submitted in person at any of these Montgomery College Campus registration areas:

- Gaithersburg Business Training Center
  Room 400
  8:30 a.m.–9 p.m. (M–R)
  8:30 a.m.–4:30 p.m. (F)
  8:30 a.m.–4 p.m. (S)

- Germantown Campus
  Humanities and Social Sciences Building
  Room 241 and/or 243
  8:30 a.m.–4 p.m. (M–F)

- Rockville Campus
  220 Campus Center
  8 a.m.–7 p.m. (M–R)
  8 a.m.–5 p.m. (F)
  8:30 a.m.–12 p.m. (S)

- Takoma Park/Silver Spring Campus
  230 CF, Customer Service
  8:30 a.m.–5 p.m. (M–F)

- Westfield South, Room 306 ***
  8:30 a.m.–9 p.m. (M–R)
  8:30 a.m.–4:30 p.m. (F)
  8:30 a.m.–4 p.m. (S)

Registrations are also accepted at all three Campus Admissions Offices.

***Cash payments can only be made at the Cashier’s Offices at the Germantown, Rockville, or Takoma Park/Silver Spring Campuses and will be accepted between 8:30 a.m.–1 p.m. and 2–4:30 p.m., M–F.

Option 2: Online (Web) Registration
A. Go to montgomerycollege.edu/wdce
B. Click on “How to Register” in the left navigation bar.
C. Click on “Register by Web.”
D. Follow the appropriate directions depending on if you are a new or returning student.

Option 3: Mail Registration
Send completed form with payment for total due to Montgomery College, WDCE, 51 Mannakee St., Rockville, MD 20850.

Option 4: Fax Registration
Fax completed form with payment information to WDCE at 240-567-1877.

Due to COVID-19, APPE students CAN NOT register in person until restrictions are lifted. Please visit montgomerycollege.edu/wdce/esl for more information or see page 5 of this schedule.

Policy

The following are general guidelines taken from the College policy on residency for tuition purposes. A complete copy of the policy is available in the Montgomery College Catalog.

A. Students attending Montgomery College will pay tuition according to their residency classification.

   To qualify for in-state tuition, a student must be a U.S. Citizen, Permanent Resident or have a qualifying Visa status.

B. To qualify for tuition purposes, as a resident of the state of Maryland, legal domicile must have been maintained for a period of not less than three months prior to the first regularly scheduled class for the semester; unless you are a member of the Military covered under HB9393.

C. The domicile of a person registering in a noncredit course at Montgomery College shall be considered as a person’s permanent place of abode, where physical presence and possessions are maintained, and where he/she intends to remain indefinitely.

Refund Policy

Refunds are paid at 100% for classes canceled, dropped online, or in person (using a Drop Form), prior to the start date of the class. Refunds are also paid at 100% if class is dropped prior to the Refund Date printed on your registration confirmation. DO NOT drop classes online on or after the day the class begins; you will not receive a refund. APPE students must call 240-567-7262 for refund/withdrawal instructions. Refunds for open enrollment classes will go to the registered student of record. For the Drop Form and more information, visit www.montgomerycollege.edu/wdce/register/refundpolicy.html.

Transfer Policy

To transfer from one CRN to another CRN of the same course, a letter must be received in the Admissions, Records, and Registration Office, Montgomery College, 51 Mannakee Street, Rockville, MD 20850 before the beginning date of both CRNs of the course. If you have enrolled in a co-listed course you will have only one day after the class has begun to transfer. After that, you are committed to your path for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status.

Tuition Installment Plan (TIP)

The Tuition Installment Plan (TIP) may allow students to pay registration charges in several payments; some restrictions apply. Each term is independent and must be enrolled in separately. A nonrefundable fee is required to participate in TIP. Students must register online during the TIP enrollment period prior to the close date indicated for each plan. Only courses with a TIP code have a tuition installment plan available. For more information go to www.montgomerycollege.edu/wdce/registerops.html

Tuition Waiver

Only noncredit courses designated “tuition waiver applies” in each publication will be available for tuition waiver. This statement appears in each applicable course description. Only tuition is waived; required fees must be paid by the student. Documents must be received at time of registration.

Senior Tuition Waiver (TWA): Maryland residents 60 years or older by the start date of the class may have tuition waived.

Disability Tuition Waiver: Please go to montgomerycollege.edu/wdce/register/disabilitywaiver.html for information.

National Guard Tuition Waiver: If you are currently a member of the Maryland National Guard and are enlisted for at least a 24-month period, you are eligible for a 50 percent tuition waiver. You must submit proof of such from the adjutant general’s office.

VA-Approved Course: Courses indicated with this VAA code are approved for VA educational benefits under Title 38, U.S.C., Section 3676. (Post 9/11 GI Bill). For more information, visit www.montgomerycollege.edu/wdce/registerops.html.

NOTE:
Due to COVID-19, face-to-face registrations are not available until the restrictions are lifted.

I certify that the information on this registration is correct and complete. I am aware of and will adhere to College policies as published in the Student Handbook. I understand that non-attendance and/or failure to file all registration changes in writing with the Admissions and Records Office does not relieve me of responsibility for tuition and fee charges incurred. I agree to abide by the policies and procedures of the College, including without limitation, the Student Code of Conduct and any payment liabilities. I hold the College harmless for any errors I have made that may affect a request for a subsequent refund or academic appeal.

Montgomery College is an Equal Opportunity Affirmative Action Title IX institution.
Resilient MC
Throughout the ongoing pandemic, Montgomery College has prioritized the health and safety of its students and employees above all else. As we move into the next phase of teaching, learning, and working, this will continue to guide all of our decisions about the structure of our education programs and delivery of key services.

Watch and listen to our Conversation with Leadership: Resilient MC, where MC President DeRionne Pollard and senior vice presidents shared how the college is planning for the next phase of its resilient response to COVID-19.
