Clinical Medical Assistant

Clinical Medical Assistant Program (TIP) (VAA)

This program is intended for students who want to prepare for an exciting, challenging, and rewarding career in healthcare. This program will train you to assist physicians by performing functions related to the clinical responsibilities of a medical office. Instruction includes preparing patients for examination and treatment, routine laboratory procedures, diagnostic testing, technical aspects of phlebotomy, and the cardiac life cycle. You will review important topics including phlebotomy, pharmacology, the proper use and administration of medications, taking and documenting vital signs, cardiology including proper lead placements, professional workplace behavior, ethics, and the legal aspects of healthcare. This program includes 96 hours of classroom lecture and hands-on labs and a clinical externship opportunity (Course# HHS126) at a local healthcare provider. To be eligible for the clinical rotation, you must successfully complete the 96-hour course, submit to a thorough background check and drug screening, and meet other requirements. Note: Upon successful completion of this program, students would be eligible to sit for the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. This course is VA-approved for GI Bill benefits. TWA

Course: HHS112  96 Hours  $1,680 + $675 fee = $2,355; NMR add $1,050

Clinical Medical Assistant—Labs and Clinical Externship (TIP)

This 90-hour course serves as the required lab (40 hours) and clinical externship (50 hours) part of the Clinical Medical Assistant Program. Focus will be on the clinical responsibilities of the medical office; assisting the physician with patient contact and related care; preparing patients for examination and treatment; routine laboratory procedures and diagnostic testing; HiPAA and patient confidentiality; the legal aspects of healthcare and related regulatory issues; recording and taking vital signs, blood pressure, and other patient care items related to the physicians office visit; review and administration of medications, allergies, and other pharmacology related items; laboratory procedures; phlebotomy and the proper techniques to collect specimens for laboratory analysis; and cardiology and the proper placement of leads when taking a 12 lead EKG. To be eligible for this course, you must be enrolled in and/or have successfully completed the 96-hour classroom program, submit to a thorough background check and drug screening, and meet other requirements. Upon successful completion of both courses, you would be eligible to sit for the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. TWA

Course: HHS126  90 Hours  $830 + $425 fee = $1,255; NMR add $650

The corresponding classroom and lab/clinical MUST be taken together, no substitutions.

Health Career Training

Dialysis Technician Program *(TIP)*

Gain the knowledge and skills needed to work as a dialysis technician. Under the supervision of physicians and registered nurses, dialysis technicians operate kidney dialysis machines, prepare dialyzer reprocessing and delivery systems, and maintain and repair equipment. Technicians work with patients during dialysis procedures, monitor and record vital signs, and administer local anesthetics and drugs as needed. They also assess patients for any complications that occur during the procedure and must be ready to take necessary emergency measures like administering oxygen or performing basic CPR. Note: This program does not include a national or state certification as part of its overall objectives. Additionally there is no student internship or clinical rotation offered as part of this program. TWA

EKG Technician *(TIP)*

Prepare to take the Electrocardiograph (EKG) Technician exam offered by the National Healthcareer Association (NHA). EKG technicians work in physician offices, hospitals, clinics, and other health care facilities, and are responsible for performing electrocardiogram tests to monitor and record electrical impulses transmitted by the heart. This course includes background information on anatomy and physiology of the heart, medical disease processes, medical terminology, medical ethics, and legal aspects of patient contact. Learn the function and proper use of the EKG machine and the Holter Monitor, and demonstrate lead placement for a 12-lead electrocardiogram. Compare normal and abnormal EKG printed readings and measure various peaks and troughs. TWA

Certified Nursing Assistant/Geriatric Asst

Certified Nursing Assistant / Geriatric Nursing Assistant (CNA/GNA) Program (TIP)
This program is designed for someone interested in working in physician’s offices, assisted living or long-term care facilities, adult daycare centers, home care agencies and in the school system. 88 hours of classroom and 60 hours of clinical in a long-term care facility / nursing home are required. After successful completion of classroom and clinical, you will receive a certificate of completion from MC, be eligible to apply for certification as a CNA and to take the Geriatric Nursing Assistant Licensing examination through the Maryland Board of Nursing. Students learn basic nursing skills, how to take vital signs, assure patient safety, and caring for patients with a variety of illnesses. Special focus on the older adult. Effective communication and basic computer skills are necessary in this environment.

Hospital-Based Certified Nursing Assistant (CNA) Program (TIP)
This program is designed for someone interested in working in the acute care or hospital setting, physician’s offices, and ambulatory care facilities. 88 hours of classroom and 60 hours of clinical in a hospital are required. After successful completion of classroom and clinical, you will receive a certificate of completion from MC and be eligible to apply for certification as a CNA through the Maryland Board of Nursing. Students learn basic nursing skills, how to take vital signs, assure patient safety, and caring for patients with a variety of illnesses. Special focus on the hospitalized patient. Effective communication and basic computer skills are necessary in this environment.

Step 1: Prior to registering for one of these programs, you MUST complete a FREE, on-line orientation session. To receive a link to the on-line orientation, complete the CNA/GNA Interest Indicator Form or go to https://www.montgomerycollege.edu/workforce-development-continuing-education/health-sciences/cna-gna/cna-gna-interest-indicator.html. After orientation, you will need to schedule an in-person basic reading and math test. You must pass exam with 80% or better. Those who do not pass will have an opportunity to take the exam two more times. After passing both exams, you will be issued a signed registration form. The registration form must be taken in person to Customer Service to register for the program.

Step 2: Decide which program you want to pursue, CNA/GNA or Hospital-based CNA.

Step 3: Select how you want to take the classroom portion of the program. We offer in-person classes and hybrid classes which include on-line structured remote lectures scheduled on specific days and times. All skills labs are in person. After successful completion of the classroom portion, you will complete a clinical component.

Step 4: Choose a classroom and clinical option below. Each option includes a classroom and a clinical pair that must be taken together. You will register for two CRNs, one for classroom and one for clinical.

Step 5: All payments and additional fees are due at time of registration. Scholarships are available. You are encouraged to set up a Tuition Installment Plan (TIP) and email HealthCareers@montgomerycollege.edu to request a scholarship application.

Step 6: Register for your classes by taking your signed registration form in person to Customer Service. If you need assistance, go to the WDCE Customer Service office, email wdce@montgomerycollege.edu or call 240-567-5188.

Prospective students must be at least 18 years old and have a Social Security Number or Tax Identification Number to complete the Maryland Board of Nursing licensing process. All clinical facilities require a criminal background check, proof of immunity through immunizations and blood work, and current American Heart Association Basic Life Support CPR certification.

PROOF OF COVID VACCINE IS MANDATORY FOR ALL NURSING AND HEALTH SCIENCES STUDENTS THREE WEEKS PRIOR TO THE FIRST DAY OF CLINICAL!

See schedule on next page.

Services for Students with Disabilities

Montgomery College complies with the provisions of Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2009. The college provides accommodations, access to facilities, programs, activities, and services for qualified students with documented disabilities. Accommodations are determined on a case-by-case analysis based on information provided by a qualified professional.

If you need support services due to a disability, please visit us online at https://www.montgomerycollege.edu/wdce/registration-information/disability-support.html. To ensure timely services, arrangements must be made at least two weeks prior to the start of the classes. If necessary and appropriate, students may register for courses or activities prior to or while going through the support services process but are expected to comply with required deadlines to ensure that appropriate accommodations can be secured.

Any student who may need assistance in the event of an emergency evacuation must identify to Disability Support Services; guidelines for emergency evacuations are at www.montgomerycollege.edu/dss/evacprocedures.htm.

Under provisions of the Americans with Disabilities Act, this material is available in alternative formats by contacting the Disability Support Services Office at 240-567-4118.

A Sorenson Video Relay Service with a large monitor is available in the Rockville, Takoma Park/Silver Spring and Germantown Campus libraries.

Students Under 16

Students must be 16 or older, or have permission of the program area by the start date of class, in order to participate. Call 240-567-5188 for more information.

Co-Listed Classes

Classes marked with this code Col are co-listed. They are offered so that students may register either for credit or continuing education (noncredit) status. Co-listing gives students an option to choose the best path for their educational needs. Each section includes both credit and noncredit students. For students seeking credit classes, please consult the credit course schedule. The expectations for attendance, participation, and effort are the same for all students. Instructors will announce policies concerning class activities.

If you have registered as a noncredit student in a co-listed course and you wish to change from noncredit to credit status, you will have one day after the class has begun to do so. After that, you are committed to your path as a noncredit student for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status. Dates for co-listed classes may reflect the actual credit term dates. Please check the day on your calendar for the actual start date of your class.

Parking Regulations

Each person associated with the College who parks a vehicle on any Campus of the College or any property owned, leased, maintained, or operated by the College must register the vehicle regardless of its ownership. Students, faculty, staff and visitors must abide by college traffic regulations. The College reserves the right to issue a citation or tow, at the owner's risk and expense, any unregistered vehicle parked in violation.

Instructions for Parking Permits:

Students parking a vehicle on any Campus of the College (Rockville, Germantown and Takoma Park/Silver Spring) while attending a program will receive a temporary (15 day) parking permit with their class confirmation materials. If you register via the web, your printed confirmation or registration history will serve as a parking permit until you can print out the WDCE Student Temporary Parking Permit. The parking permit is free to students but you must register your vehicle.

All Students registered for WDCE classes spanning greater than 15 days from start to end date MUST obtain a parking permit following steps 1 to 4 below.

1. In order to obtain the permit, students need to log into MyMC the day after they register for the class.
2. Click on the “Order MY Parking Permit/ Pay Parking fines” link on the “MyMC Quick Links” tab.
3. Put in the start date and the end date of your class(es).
4. Print the permit.

Be sure to click the print link on the confirmation page as the permit will not be mailed.

Information about vehicle registration and parking, and how to pay or appeal a citation is available at www.montgomerycollege.edu/parking. The Montgomery College Motor Vehicle Regulations are available at www.montgomerycollege.edu/verified.

Textbooks and Materials

Textbooks/course materials: Purchase textbooks and/or course materials at the Campus where your class will be held. For classes held at the Gaithersburg Business Training Center, Distance Education and Learning Technologies (DELT), and off-Campus MCPS locations, please use the Rockville Campus MC Books & More; for classes at Westfield South use the Takoma Park/Silver Spring Campus MC Books & More. You do not need to go to a Campus store to make your purchase. You may purchase your textbooks/course materials online to have your purchases mailed to you. To order online or to find out more details about purchases, buybacks, returns, contact information, ebooks, rentals, and more, visit the College’s MC Books & More website at www.montgomerycollege.edu/bookstore or call the main number 240-567-5302. Policy

The following are general guidelines taken from the College policy on residency for tuition purposes. A complete copy of the policy is available in the Montgomery College Catalog.

A. Students attending Montgomery College will pay tuition according to their residency classification.
   - To qualify for in-state tuition, a student must be a U.S. Citizen, Permanent Resident or have a qualifying Visa status.
   - To qualify, for tuition purposes, as a resident of the state of Maryland, legal domicile must have been maintained for a period of not less than three months prior to the first regularly scheduled class for the semester; unless you are a member of the Military covered under HB935.
   - The domicile of a person registering in a noncredit course at Montgomery College shall be considered as a person’s permanent place of abode, where physical presence and possessions are maintained, and where he/she intends to remain indefinitely.

Refund Policy

Refunds are paid at 100% for classes canceled, dropped online, or in person (using a Drop Form), prior to the start date of the class. Refunds are also paid at 100% if class is dropped prior to the Refund Date printed on your registration confirmation. DO NOT drop classes online. You will not receive a refund.

ESL Noncredit students must call 240-567-7262 for refund/withdrawal instructions. Refunds for open enrollment classes will be submitted to the registered student of record. For the Drop Form and more information, visit www.montgomerycollege.edu/wdce/register/refundpolicy.html.

Transfer Policy

To transfer from one CRN to another CRN of the same course, a letter must be received in the Admissions, Records, and Registration Office, Montgomery College, 51 Mannakee Street, Rockville, MD 20850 before the beginning date of both CRNs of the course. If you have enrolled in a co-listed course you will have only one day after the class has begun to transfer. After that, you are committed to your path for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status.

Tuition Installment Plan (TIP)

The Tuition Installment Plan (TIP) may allow students to pay registration charges in several payments; some restrictions apply. Each term is independent and must be enrolled in separately. A nonrefundable fee is required to participate in TIP. Students must register online during the TIP enrollment period prior to the close date indicated for each plan. Only courses with a TIP code have a tuition installment plan available. For more information go to www.montgomerycollege.edu/wdce/registerops.html

Tuition Waiver

Only noncredit courses designated “tuition waiver applies” in each publication will be available for tuition waiver. This statement appears in each applicable course description. Only tuition is waived; required fees must be paid by the student. Documents must be received at time of registration.

Senior Tuition Waiver (TWA): Maryland residents 60 years or older by the start date of the class may have tuition waived.

Disability Tuition Waiver: Please go to montgomerycollege.edu/wdce/register/disabilitywaiver.html for information.

National Guard Tuition Waiver: If you are currently a member of the Maryland National guard and are enlisted for at least a 24-month period, you are eligible for a 50 percent tuition waiver. You must submit proof of such from the adjutant general’s office.

Room Numbers

Room numbers will be printed on your registration receipt for classes held on our Campuses. Please be sure to keep the receipt for your records. Room numbers can also be found online.

Questions?

Call 240-567-5188.
I certify that the information on this registration is correct and complete. I am aware of and will adhere to College policies as published in the Student Handbook.

I understand that non-attendance and/or failure to file all registration changes in writing with the Admissions and Records Office does not relieve me of responsibility for tuition and fee charges incurred. I agree to abide by the policies and procedures of the College, including without limitation, the Student Code of Conduct and any payment liabilities. I hold the College harmless for any errors I have made that may affect a request for a subsequent refund or academic appeal.
