Students must understand and meet all requirements and/or standards imposed by recognized professional societies and all contract requirements imposed on College students by the institution or agency where the clinical practice is to occur. For details, visit www.montgomerycollege.edu/wdce/healthsciencesinstitute.html
All Health Sciences Students:
Students must understand and meet all requirements and/or standards imposed by recognized professional societies and all contract requirements imposed on College students by the institution or agency where the clinical practice is to occur. Please see our website for details.

Until further notice from the Montgomery County Leaders, classes will be taught online via Zoom and/or Blackboard learning systems. Therefore, you will need a computer, laptop, tablet, or smartphone camera ready with speakers, internet access and a browser that is current.

If clinicals resume, COVID19 training will be required prior to entry into the healthcare facility. Face masks, social distancing, and frequent hand-washing is also required. For classes that are scheduled to be on campus, students must complete the daily self-screening survey. You are required to wear a mask, wash hands before entering or leaving building or classroom, wash your hands before and after using equipment, and practice social distancing as required by the CDC.

Please check the website for updates: https://www.montgomerycollege.edu/wdce/health-sciences

Health Care Courses

Clinical Medical Assistant

Clinical Medical Assistant—Labs and Clinical Externship

This 90-hour course serves as the required lab (40 hours) and clinical externship (50 hours) part of the Clinical Medical Assistant Program. Focus will be on the clinical responsibilities of the medical office; assisting the physician with patient contact and related care; preparing patients for examination and treatment; routine laboratory procedures and diagnostic testing; HIPAA and patient confidentiality; the legal aspects of healthcare and related regulatory issues; recording and taking vital signs, blood pressure, and other patient care items related to the physicians office visit; review and administration of medications, allergies, and other pharmacology related items; laboratory procedures; phlebotomy and the proper techniques to collect specimens for laboratory analysis; and cardiology and the proper placement of leads when taking a 12 lead EKG.

To be eligible for this course, you must be enrolled in and/or have successfully completed the 96-hour classroom program, submit to a thorough background check and drug screening, and meet other requirements. Upon successful completion of both courses, you would be eligible to sit for the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. This course is VA-approved for GI Bill benefits. TWA

Course: HHS112 96 Hours
$1,680 + $600 fee = $2,280; NMR add $1,050

Online: Structured Remote
CRN#: 16441 24 Sessions M W
6/7-9/1 5-9 p.m.

Take with HHS126 CRN# 16547 or 16548

CRN#: 16442 24 Sessions T R
6/8-9/2 9 a.m.-1 p.m.
No class 7/5, 7/6, 7/7, 7/8
Take with HHS126 CRN# 16549 or 16550

Clinical Medical Assistant Program

This program is intended for students who want to prepare for an exciting, challenging, and rewarding career in healthcare. This program will train you to assist physicians by performing functions related to the clinical responsibilities of a medical office. Instruction includes preparing patients for examination and treatment, routine laboratory procedures, diagnostic testing, technical aspects of phlebotomy, and the cardiac life cycle. You will review important topics including phlebotomy, pharmacology, the proper use and administration of medications, taking and documenting vital signs, cardiology including proper lead placements, professional workplace behavior, ethics, and the legal aspects of healthcare. This program includes 96 hours of classroom lecture and hands-on labs and a clinical externship opportunity (Course# HHS126) at a local healthcare provider. To be eligible for the clinical rotation, you must successfully complete the 96-hour course, submit to a thorough background check and drug screening, and meet other requirements. Note: Upon successful completion of this program, students would be eligible to sit for the National Healthcareer Association (NHA) Certified Clinical Medical Assistant (CCMA) national examination. This course is VA-approved for GI Bill benefits. TWA

Last day to register for Saturday or Sunday classes is the Friday before start date at 3 p.m.
Health Career Training

**EKG Technician**

Prepare to take the Electrocardiograph (EKG) Technician exam offered by the American Society of Phlebotomy Technicians (ASPT). EKG technicians work in physician offices, hospitals, clinics, and other health care facilities, and are responsible for performing electrocardiogram tests to monitor and record electrical impulses transmitted by the heart. This course includes background information on anatomy and physiology of the heart, medical disease processes, medical terminology, medical ethics, and legal aspects of patient contact. Learn the function and proper use of the EKG machine and the Holter Monitor, and demonstrate lead placement for a 12-lead electrocardiogram. Compare normal and abnormal EKG printed readings and measure various peaks and troughs.

**Course:** HHS051 50 Hours
$1,330 + $650 fee = $1,980; NMR add $800

**Phlebotomy Technician—Clinical Internship**

This class includes a 40-hour clinical opportunity at a local healthcare provider. In addition to other requirements, to be eligible for this Phlebotomy Technician Clinical Internship class, you must have completed or currently be enrolled in Montgomery Colleges 90-hour Phlebotomy Technician Program. Additionally, you must submit to a thorough background check and meet other requirements. These costs are not included in the tuition and fees for this class. Special requirements include Hepatitis B immunization, negative tuberculosis test, and blood test to check immunity: Varicella Zoster IgG Ab; Rubella IgG; Rubeola IgGAb; and Mumps IgG Ab. Information concerning these requirements will be provided the first night of class. This class must be taken with Phlebotomy Technician (HHS034). TWA

**Course:** HHS115 40 Hours
$210 + $125 fee = $335; NMR add $160

**Off Campus Location**
CRN#: 16546 5 Sessions 7/12-8/18 Online 24/7
CRN#: 16443 5 Sessions 7/12-8/16 Online 24/7

**Pharmacy Technician Certification**

This comprehensive 72-hour course will prepare students to enter the pharmacy field and take the Pharmacy Technician Certification Boards PTCB exam. A GED or High School diploma is required to sit for the PTCB exam. Technicians work in hospitals, home infusion pharmacies, community pharmacies, and other health care settings—working under the supervision of a registered pharmacist. Course content includes medical terminology specific to the pharmacy, reading and interpreting prescriptions, and defining drugs by generic and brand names. Students will learn dosage calculations, i.v. flow rates, drug compounding, dose conversions, dispensing of prescriptions, inventory control, and billing and reimbursement. Students successfully completing this course will receive pre-paid vouchers to take the PTCB exams. These vouchers are valid for 90 days past the date of the last class. Exams must be taken during that time.

**Course:** HHS105 72 Hours
$1,380 + $650 fee = $2,030; NMR add $1,050

Sunday labs will be in person on the Takoma Park/Silver Spring Campus.

Structured Remote (SR) vs Distance Learning (DL)

Structured Remote (SR) classes will meet at a designated meeting date and time with the possibility of transitions to in-person classroom teaching.

Distance Learning (DL) classes are at your leisure during the semester and will not transition to in-person classes.

Hybrid (In person & DL or SR)
Classes will meet online either through Structured Remote (SR) or Distance Learning (DL) along with face to face meetings on campus.

Resilient MC

Throughout the ongoing pandemic, Montgomery College has prioritized the health and safety of its students and employees above all else. As we move into the next phase of teaching, learning, and working, this will continue to guide all of our decisions about the structure of our education programs and delivery of key services.

Watch and listen to our Conversation with Leadership: Resilient MC, where MC President DeRionne Pollard and senior vice presidents shared how the college is planning for the next phase of its resilient response to COVID-19.
Certified Nursing Assistant/Geriatric Assistant Program

To register for CNA courses you **MUST ATTEND** the FREE orientation session which includes the FREE mandatory reading and math test that you must pass to register.

All payments for CNA Classroom and CNA Clinical and additional fees are due at time of registration. Seats for the Classroom and Clinical are limited.

You must be at least 18 years old and have a Social Security Number or Tax Identification Number for the Maryland Board of Nursing licensing process upon successful completion, as well as a Social Security Number for nursing homes that require criminal background checks prior to being on their premises for educational purposes.

**Additional Fees:**

There will be additional fees for Immunizations, physical exam, TB test, CPR training, CNA application, GNA application, fingerprinting, and uniforms. These costs will be discussed at orientation.

**Mandatory Nursing Assistant and Geriatric Nursing Assistant Online Orientation:**

Questions? AFTER viewing the online orientation, contact [healthsciencesnoncredit@montgomerycollege.edu](mailto:healthsciencesnoncredit@montgomerycollege.edu)

**Certified Nursing Assistant Classroom (CNA) TIP**

Through lecture, discussion, and hands-on practice you will learn basic nursing skills such as taking vital signs, assuring patient safety, and caring for patients with Alzheimer’s disease and related disorders. After successful completion of the classroom and clinical portions, you will receive a certificate of completion from Montgomery College. You may then apply to take the Geriatric Nursing Assistant Licensing examination. **Prerequisites:** Attending the CNA Orientation Session and scoring at least 80% on both the mandatory reading and math tests. A criminal background check is required; obtain a CPR Health Provider certification before the midterm; a negative TB skin test (PPD) or chest x-ray may be required before class starts. TWA

Last day to register for Saturday or Sunday classes is the Friday before start date at 3 p.m.
Nursing Refresher

**Mandatory Nurse Refresher Online Orientation:**
Questions? AFTER viewing the online orientation, contact healthsciencesnoncredit@montgomerycollege.edu.
You must enroll in all 3 courses: Classroom, Lab, and Clinical.
The Maryland Board of Nursing requires that all 100 hours of classroom, all 8 hours of labs, and all 60 hours of clinicals must be completed.
If inclement weather occurs, make-up hours will be added.

**Online Nurse Refresher Course**
This course is designed for RNs and LPNs who desire to maintain or re-establish their active license to reenter the nursing field. The program includes both online and hands-on experience. Theory will be delivered totally online and will include: online lectures to include topics such as reviewing anatomy and physiology, major disease pathology, current treatment strategies, legal issues, pharmacology, physical assessment, nursing process, documentation, current trends, evidence-based practice, end-of-life issues, videos, discussion groups, and other learning activities. You must register for Nursing Lab (NUR023) and Nursing Clinical (NUR007). Attendance is required for the on-Campus lab which will be taught at Montgomery College and clinical will be taught off-Campus.

**TWA Course: NUR069** 100 Hours
$1,235 + $240 fee = $1,475; NMR add $650

**Health Sciences students, please check the website often for updates:**
www.montgomerycollege.edu/wdce/health-sciences
Nursing Refresher: Clinical Tip

Practicing nurse experts supervise your 60 hours of clinical experience in medical-surgical nursing, which includes patient assignments, team work, completing documentation and care plans, and giving medication. Basic skills lab practice and emergency medicine review will be provided. You must register for the classroom, clinical, and lab in order to use the payment plan. Prerequisite: Concurrent enrollment in NUR057 and NUR023. TWA

A. Nursing License: If your Maryland license has lapsed, you must apply for, pay for, and receive an inactive license. If you have an active license from any state other than Maryland, you must apply for and receive a Maryland license before starting your clinical.

B. CPR Certification: This must be a healthcare provider-level course from the American Heart Association.

C. 1. A complete physical exam, signed by your health provider, within 9 months of the start date for clinical. (You must use the Montgomery College Nurse Refresher Health form).
   2. Proof of immunity to the following diseases: *Mumps, Measles (Rubella) and Rubella: Must provide serologic evidence that you are immune to Mumps, Measles and Rubella (positive titers). If blood titers are negative for any of these 3 diseases, you must receive two (2) doses of Mumps, Measles and Rubella vaccine (MMR) given 4 weeks apart. (Information documenting past MMR vaccinations is appreciated but cannot take the place of the titer test results.) *Varicella: Must provide serologic evidence that you are immune to Varicella (positive titers). If titers are negative, you are required to receive two (2) doses of Varicella vaccine given 4 weeks apart. (Documentation of childhood disease will not be accepted). *Hepatitis B: Three (3) doses of Hepatitis B vaccine given 0.1, and 6 months apart, followed by Hepatitis B surface antibody testing 1-2 months after dose #3 is required. If you cannot provide documentation of the 4-step vaccination process described above, you must obtain serologic evidence of immunity (positive Hep B Antibody titer). If this titer is negative for immunity, the vaccination series must be repeated.

   *Tetanus, Diphtheria, and Pertussis: Documentation of one (1) dose of Tdap vaccine (not to be confused with Dtap) in the past two (2) years, regardless of when the last Tetanus and Diphtheria vaccine was given. *Influenza: Vaccine is to be given at least 1 month prior to the start date for clinical. Please note: Vaccine series must be completed by the second week of class. All laboratory titers must have date blood was drawn as well as test results.

   3. Tuberculin Skin Test: (Mantoux Tuberculin test) within 9 months of the start date for clinical is required. If test results show TB exposure in the past or present, you must obtain clearance from your health provider that you are able to attend clinical. A chest x-ray may be needed. (Use the Montgomery College TB clearance form which will be provided with the Health Inventory Form when getting evaluated.)

Course: NUR007 60 Hours

RN Case Manager/Delegating Nurse Training for Assisted Living

This 16-hour course, approved by the Maryland Board of Nursing, provides a basic foundation for nursing practice of the registered nurse who delegates nursing functions in the assisted living setting, including medication administration, and who teaches medication administration to the medication technician in assisted living. Topics to be covered include history of assisted living programs; regulations governing CM/DN practice; overview of CM/DN role and responsibilities; teaching medication administration to the medication technician; case management principles; delegation of nursing practice; communication; adult learning principles; and legal, ethical, and business issues. TWA

Course: NUR014 16 Hours
$290 + $90 fee = $380; NMR add $160

Online: Structured Remote
CRN#: 46631 2 Sessions S
6/5-6/12 7:30 a.m.-4 p.m.

Health Sciences

Last day to register for Saturday or Sunday classes is the Friday before start date at 3 p.m.

Please check the website often for updates:
www.montgomerycollege.edu/wdce/health-sciences
Registration Options

Regardless of which registration option you select, registrants will be enrolled in the order that registration and payments are received (to avoid disappointment, register early); payment is required at the time of registration. All students must register prior to attending the first class.

Payments

Payment MUST be made IN FULL at the time of registration to avoid being deleted from the course. Complete information is required to process all registrations and payments. Further instructions for WEB, FAX, or MAIL-IN payments can be found at: www.montgomerycollege.edu/wdce/registerops.html.

Registration will not be processed without appropriate payment.

Option 1: In-Person Registration
A completed form with payment may be submitted in person at any of these Montgomery College Campus registration areas:

Gaithersburg Business Training Center
Room 400
8:30 a.m.–9 p.m. (M–R)
8:30 a.m.–4:30 p.m. (F)
8:30 a.m.–4 p.m. (S)

Germantown Campus
Humanities and Social Sciences Building
Room 241 and/or 243
8:30 a.m.–4 p.m. (M–F)

Rockville Campus
220 Campus Center
8 a.m.–7 p.m. (M–R)
8 a.m.–5 p.m. (F)
8:30 a.m.–12 p.m. (S)

Takoma Park/Silver Spring Campus
230 CF, Customer Service
8:30 a.m.–5 p.m. (M–F)

Westfield South, Room 306 ***
8:30 a.m.–4 p.m. (M–R)
8:30 a.m.–4:30 p.m. (F)
8:30 a.m.–4 p.m. (S)

Registrations are also accepted at all three Campus Admissions Offices.

***Cash payments can only be made at the Cashier’s Offices at the Germantown, Rockville, or Takoma Park/Silver Spring Campuses and will be accepted between 8:30 a.m.–1 p.m. and 2–4:30 p.m., M–F.

Option 2: Online (Web) Registration
A. Go to montgomerycollege.edu/wdce
B. Click on “How to Register” in the left navigation bar.
C. Click on “Register by Web.”
D. Follow the appropriate directions depending on if you are a new or returning student.

Option 3: Mail Registration
Send completed form with payment for total due to Montgomery College, WDCE, 51 Mannakee St., Rockville, MD 20850.

Option 4: Fax Registration
Fax completed form with payment information to WDCE at 240-567-1877.

Due to COVID-19, APPE students CAN NOT register in person until restrictions are lifted. Please visit montgomerycollege.edu/wdce/esl for more information or see page 5 of this schedule.

Policy

The following are general guidelines taken from the College policy on residency for tuition purposes. A complete copy of the policy is available in the Montgomery College Catalog.

A. Students attending Montgomery College will pay tuition according to their residency classification.
   - To qualify for in-state tuition, a student must be a U.S. Citizen, Permanent Resident or have a qualifying Visa status.
   - To qualify for tuition purposes, as a resident of the state of Maryland, legal domicile must have been maintained for a period of not less than three months prior to the first regularly scheduled class for the semester; unless you are a member of the Military covered under HB935.

B. The domicile of a person registering in a noncredit course at Montgomery College shall be considered as a person’s permanent place of abode, where physical presence and possessions are maintained, and where he/she intends to remain indefinitely.

Refund Policy

Refunds are paid at 100% for classes canceled, dropped online, or in person (using a Drop Form), prior to the start date of the class. Refunds are also paid at 100% if class is dropped prior to the Refund Date printed on your registration confirmation. DO NOT drop classes online on or after the day the class begins; you will not receive a refund. APPE students must call 240-567-7262 for refund/withdrawal instructions. Refunds for open enrollment classes will go to the registered student of record. For the Drop Form and more information, visit www.montgomerycollege.edu/wdce/register/refundpolicy.html.

Transfer Policy

To transfer from one CRN to another CRN of the same course, a letter must be received in the Admissions, Records, and Registration Office, Montgomery College, 51 Mannakee Street, Rockville, MD 20850 before the beginning date of both CRNs of the course. If you have enrolled in a co-listed course you will have only one day after the class has begun to transfer. After that, you are committed to your path for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status.

Tuition Installment Plan (TIP)

The Tuition Installment Plan (TIP) may allow students to pay registration charges in several payments; some restrictions apply. Each term is independent and must be enrolled in separately. A nonrefundable fee is required to participate in TIP. Students must register online during the TIP enrollment period prior to the close date indicated for each plan. Only courses with a TIP code have a tuition installment plan available. For more information go to www.montgomerycollege.edu/wdce/registerops.html

Tuition Waiver

Only noncredit courses designated “tuition waiver applies” in each publication will be available for tuition waiver. This statement appears in each applicable course description. Only tuition is waived; required fees must be paid by the student. Documents must be received at time of registration.

Senior Tuition Waiver (TWA): Maryland residents 60 years or older by the start date of the class may have tuition waived.

Disability Tuition Waiver: Please go to montgomerycollege.edu/wdce/register/disabilitywaiver.html for information.

National Guard Tuition Waiver: If you are currently a member of the Maryland National Guard and are enlisted for at least a 24-month period, you are eligible for a 50 percent tuition waiver. You must submit proof of such from the adjutant general’s office.

VA-Approved Course: Courses indicated with this VA-Approved Course code are approved for VA educational benefits under Title 38, U.S.C., Section 3676. (Post 9/11 GI Bill). For more information, visit www.montgomerycollege.edu/wdce/registerops.html

NOTE:
Due to COVID-19, face-to-face registrations are not available until the restrictions are lifted.

Questions?
Call 240-567-5188.
All information is required. Incomplete forms will be returned to the student unprocessed. For registration assistance call 240-567-5188.

Mail completed registration form with payment to WDCE Registration, 51 Mannakee Street, CC 220, Rockville, MD 20850.

Refunds will go to the registered student of record.

Total Due $

I certify that the information on this registration is correct and complete. I am aware of and will adhere to College policies as published in the Student Handbook.

I understand that non-attendance and/or failure to file all registration changes in writing with the Admissions and Records Office does not relieve me of responsibility for tuition and fee charges incurred. I agree to abide by the policies and procedures of the College, including without limitation, the Student Code of Conduct and any payment liabilities. I hold the College harmless for any errors I have made that may affect a request for a subsequent refund or academic appeal.

Student Signature Required

Date

NOTE: Credit card information will be detached and disposed of promptly and properly after payment is approved.
Resilient MC

Throughout the ongoing pandemic, Montgomery College has prioritized the health and safety of its students and employees above all else. As we move into the next phase of teaching, learning, and working, this will continue to guide all of our decisions about the structure of our education programs and delivery of key services.

Watch and listen to our Conversation with Leadership: Resilient MC, where MC President DeRionne Pollard and senior vice presidents shared how the college is planning for the next phase of its resilient response to COVID-19.
