

## **Wardrobe Resurrection: My Clothes Need Help!**

### **SUPPLY LISTS**

#### **Please read all information carefully**

Due to the unpredictable nature of COVID restrictions in Montgomery County, the class might be presented via Zoom. While this is certainly not the ideal situation for a hands-on, participatory experience, the instructor will work diligently to create demonstrations of techniques that participants will be able to practice during each class session.

#### **Two supply lists are being provided:**

The first one consists of basic supplies that should be brought to each class.

The second list consists of supplies covered by the \$10 supply fee. The instructor will provide these if classes are held in-person. If classes are not in-person, then students will need to provide these items. These supplies will be previewed before each class.

#### **BASIC SUPPLIES (to be provided by participants) -- BRING THESE TO EVERY CLASS**

Scissors that will cut fabric\*

Hand-sewing needles (multiple sizes of "sharps")\*

Needle threader\*

Straight pins (quilters' pins recommended)\*

Seam ripper (small size preferred)\*

6"-12" ruler\*

Washable/disappearing ink fabric marker (Prym Dritz Disappearing Ink Marking Pen Purple)

1/2 yard of quilting cotton cut into approx. 9" squares

Laundry marking pen

2 or more small spools of all-purpose/dual duty thread in different colors

Tee shirt (new or used, preferably without logos)

1-2 pieces of lined (notebook/notepad) paper

Masking tape or 1/2" wide painter's tape

Optional but recommended:

Pinking shears

3-ring binder and sheet protectors to store samples

Most of the above are available at JoAnn and/or G Street Fabrics.

The \* items can be purchased in a sewing kit. Doing so is often less expensive than purchasing them separately.

**CONTINUED ON NEXT PAGE**
