

**Supply List—Lauren Kingsland  
Quilting for Beginners  
LLI 223**

We will be hand stitching a small quilt by piecing a variety of traditional blocks and assembling them into a top. Borders, quilting and binding the edges will complete the project. Through this small piece we will learn the skills used to make larger quilts.

**Tools to bring:** (Bring what you have to the first class. You can shop later)

- 18” acrylic ruler - 3” or wider
- Rotary cutter
- Cutting mat - 12 x 18 or larger
- Fabric scissors
- Paper scissors for plastic/paper
- Thread snips
- Needle threader
- \*Needles - John James between (8, 9, 10)
- Straight pins
- Thimble
- \*1 sheet template plastic
- \*1 sheet fine sandpaper
- Marking pencils - yellow or silver colored; .5 mm mechanical pencil

**For the first class you need:**

- 1 spool of high quality cotton thread in neutral tan or grey
- Scissors, pins, needles, thimble.

**Materials for subsequent classes:**

- 5 fat quarters of fabric in a contrasting assortment. A fat quarter measures 18”x 20” and is readily available precut at fabric stores. \*You may add additional fabrics during the class as the project takes shape.
- \*Batting
- Additional backing or binding fabrics.

**Instructor will provide at no additional cost:**

- Sandpaper folder
- Batting
- All patterns, handouts and templates

\*Materials which may be purchased from instructor at class

These materials are available at fabric and quilt shops, including nearby at Capital Quilts, 15926 Luanne Drive, Gaithersburg, MD 20877 [www.capitalquilts.com](http://www.capitalquilts.com)
