Comprehensive and Interactive Learning Tools

The Montgomery College CIA preparation courses are based on the IIA's CIA Learning System, Version 7.0. These online study tools offer a recommended study path, learning activity options with time estimates, and progress tracking. No other CIA exam preparation program aligns The IIA's professional knowledge, training, and certification expertise. By enrolling in this course, you will have access to the following study tools.

CIA Part 2: Practice of Internal Auditing

This instructor-led Part 2 CIA exam preparation course is designed to give candidates a comprehensive review of the topics covered on Part 2 of the CIA exam. The course will provide in-depth analysis, reinforce your CIA knowledge, clarify topics, and build exam-day confidence. Taught by CIA-certified instructors, each attendee will have the opportunity to work through practice exam questions, learn test-taking tips, and will receive the Part 2 of IIA's CIA Learning System® (Version 7.0) self-study materials including reading materials and access to online study tools for one year.
