

# MONTGOMERY COLLEGE AVIATION

## Workforce Development and Continuing Education | Winter/Spring 2022

### So You Want to Fly an Airplane?

Get an exciting introductory experience with your feet on the ground. Whether looking for a hobby or looking for a job, find out what it takes to become a Federal Aviation Administration (FAA) certified Private Pilot!

**This 5-hour introduction to Aviation course includes topics such as:**

- Requirements for licensing
- History of aviation
- Basic principles of flight
- Maintenance guidelines
- Air traffic control communications
- Choosing a flight school
- Cost estimations, and much more

**Upon completion of the classroom portion, students will transport themselves to Positive Attitude Aviation at Davis Airport at 7200 Hawkins Creamery Road, Gaithersburg, for a two-hour (feet off the ground) tour including:**

- The cockpit
- The airport
- The runway
- A review of preflight checklists and much more!

---
