What Is Workforce Development and Continuing Education (WDCE)?

The Workforce Development and Continuing Education (WDCE) programs at Montgomery College provide a wide range of noncredit and credit educational offerings and services designed to meet the needs of county residents and businesses. Individuals in career transitions, those reentering the workforce, and those maintaining current technical skills, as well as those seeking lifelong education enrichment experiences, are among the 25,000 students each year. High-quality noncredit courses are available in numerous program areas including information technology, small business and management, technical training, certification and licensure preparation, financial planning, real estate, early childhood education, health sciences, professional development, writing, English as a Second Language, human resources, supervision, and more. Special programs are available for older adults, adults with developmental disabilities, and Spanish speakers. Course offerings change continuously to reflect the ever-changing needs of the businesses and communities we serve. As you peruse the programs and services in this publication, we’re sure you’ll find a wide variety of offerings suited to you.

In addition to classes for individuals, we contract with many businesses and government agencies to provide customized training for their employees. These classes are held at places of employment or can be offered at WDCE sites throughout the county.

About Our Students

When you enroll in one of our Workforce Development and Continuing Education courses, you will be joining more than 25,000 people who have attended our programs during the past year. These people come from diverse backgrounds but have one thing in common: the desire to learn new things. Although the median age of our students is 40, many of our students are young or older adults. Students come from all corners of the community, regardless of age and educational experience.

About Our Faculty

Our faculty are carefully screened professionals with expertise in their fields. Some are drawn from the College’s credit faculty. Instructors are hand-picked for their teaching skills, professional knowledge, and talent, ensuring our reputation as a provider of high-quality courses.

Where to Find Us

Classes are held on the Germantown, Rockville, or Takoma Park/Silver Spring Campuses at Montgomery College and two satellite Campuses—Westfield South in Wheaton and the Gaithersburg Business Training Center in Olde Towne Gaithersburg. Additional off-campus locations have been selected for convenience, amenities, and suitability for instruction. Classes meet at more than 40 locations countywide, including on site at places of employment.

Open to All

Montgomery College is committed to equal employment opportunity that assures access, equity, and diversity. Further, the College is committed to providing an environment in which all persons are provided the opportunity for employment, participation in academic programs, and/or other college activities free from discrimination, any form of harassment as prohibited by federal regulations and state law, and sexual assault.

National Recognition

Montgomery College Workforce Development and Continuing Education is certified by the Learning Resources Network (LERN), an international association in lifelong learning. LERN has rated our Workforce Development and Continuing Education unit as one of the leading providers of continuing education programs in North America.

What's Happening—Spring 2022

New Vaccination Requirements

Given the prolonged health crisis that our nation is experiencing, Montgomery College will implement COVID-19 vaccination requirements for faculty, staff, administrators, and students. All employees must verify that they are fully vaccinated against the coronavirus by November 8, 2021. Students must verify that they are fully vaccinated by January 7, 2022, in time for the spring semester.

For on-campus classes, you must register at least 48 hours before the start date of class. This will allow time to submit and verify COVID vaccination requirements.

Check our website often for updates, and information about vaccines, testing, and exemptions at https://www.montgomerycollege.edu/coronavirus/vaccines.html#student.

Resilient MC

Throughout the ongoing pandemic, Montgomery College has prioritized the health and safety of its students and employees above all else. As we move into the next phase of teaching, learning, and working, this will continue to guide all of our decisions about the structure of our education programs and delivery of key services.

Montgomery College is strong. Montgomery College is resilient. MC embodies excellence, courage and radical inclusion. You can be transformed by your experience here. For more detail about how MC is adapting in our new learning environment, please visit our Resilient MC website at www.montgomerycollege.edu/resilient-mc/index.html.

Please check our webpage for the latest information. https://www.montgomerycollege.edu/wdce/esl.

This information is accurate at the time of publication but may change.

APPE (ESL) offers many courses for students whose first language is not English. Courses include instruction in reading, writing, speaking, listening, grammar, pronunciation, and vocabulary. Beginning through advanced levels are available.

Beginning January 7, 2022, you must be vaccinated to take classes at Montgomery College.

We have classes on the Rockville and Takoma Park/Silver Spring campuses. We also have classes taught remotely through Zoom, Blackboard and other online tools. If you register for a remote class, you will receive the Zoom link the day before the class begins.

You must have a reliable internet service and a computer or mobile device from which you can access Zoom, email and other websites. Please go to our webpage for more detailed registration information or call Customer Service at 240-567-5188 for help. On-campus classes may meet occasionally over Zoom due to weather or other circumstances. After your course begins, you may be moved to a different class if your teacher finds you are in the wrong level.

You must register in person at one of the registration locations by 11:59 p.m. the day before the class begins. If you cannot, you must contact Annette Greene at 240-549-2691 or annette.greene@montgomerycollege.edu.

Our Contact Information:
- E-mail: ESL-Rockville@montgomerycollege.edu
- Phone or text: 240-549-2691

  Rockville Campus: 220 Campus Center
  Takoma Park/Silver Spring: 230 Cafritz Foundation Arts Center
  Monday to Friday: 8:30 a.m.-5 p.m.
  Saturday (Rockville only): 8:30 a.m. to noon

New Students
If you wish to take classes, you must take the APPE Assessment Test or the Montgomery College Remote Placement Test. You must make an appointment to take the APPE Assessment Test. We will test students individually or in groups. You must be vaccinated to take the test in person. The test takes about one hour. To make an appointment for the test, you can call, email or text us (see contact information above).

Returning Students
You must register in person based on the recommendations from your instructor at the end of your last class. If you took this class more than one year ago, you need to contact us to see if you need to be retested. You can only take a course three times. If you do not pass with a grade of A or B after three times, you cannot take it again without special permission. Please contact us if you have a question or need help with registering (see contact information above).

Degree-Seeking Students
If you took the Accuplacer-ESL (or the Montgomery College ESL Remote Placement test) and placed into Workforce Development & Continuing Education, call 240-549-2691 or email us at ESL-Rockville@montgomerycollege.edu. If you already have a Placement, you can register online—you do not need to contact us, but you can if you have a question. If you need help registering, please call us at 240-567-5188. If you are interested in the credit program, call 240-567-5000 for more information.

Disability Services
If you need support services due to a disability in order to take this test or take a class, you must contact Natalie Martinez at 240-567-4118. This must be done at least two weeks before the test date (or the class start date) in order to ensure timely services.

Mathematics in Art & Design
"Without mathematics there is no art", stated Luca Pacioli, Italian mathematician and collaborator with Leonardo DaVinci. Learn how math underlies art and examine their inherent connections—including how art has driven the development of mathematics. Explore artworks from antiquity to modern times, as well as examples from graphic design, geometric and optical art, Islamic ornamentation, cartoons, and street art. Create your own artwork with mathematical foundations, such as geometrical constructions, golden-ratio-based Fibonacci sequences, symmetry, patterns, tessellations, elementary perspective, fractals, and anamorphosis. No background in art or math is required. TWA

Photographing Artwork
Learn to capture professional-quality photographs of your artwork. Quality images of artwork are vital to any artist’s career, and are needed for applications to shows, grants, residencies, and for general marketing. A good art photographer can also make a side income doing work for others. Learn camera settings you can use in any camera (including smartphones) to improve images of flat and 3D artwork. Explore the proper equipment and techniques for lighting artwork, and how to get great shots even without the right equipment. Learn basic image editing and how to assess image quality. By the end of this course, you’ll be able to create photographs that show off the true quality of your art. Open to students of all levels. TWA

Writing an Artist Statement
Create clear, concise artist statements that accurately describe your work. An artist statement provides a window into your mental process, a way to express how you hope viewers interpret your artwork. Explore the purpose of artist statements, and how you write statements differently for different uses. Compose short- and long-form statements that faithfully and compellingly describe your work, and revise them based on context. Participate in group critiques to analyze and refine statements. Open to all levels. Having your own existing artwork is recommended, but not necessary. TWA

Mural Design & Installation

Create a public mural, from design through installation. Work as a class with Westfield Montgomery Mall to envision a mural and install it on the Sears Auto Building in Bethesda. Experience client negotiations as you work together to create a final design. Learn the process of image transfer and enlargement from original drawings, the specialized needs of mural painting, and painting techniques for murals. Finish the class by painting a final work on the Sears Auto Building. At the end of class, you will not only have mural-creation experience, but a resume item to jumpstart your career as a wall artist! Mural installation is a physically demanding process, so be ready to work hard and climb ladders. Students must provide their own transportation to the site and dedicate time outside class hours to complete the mural. Challenge Program

These unique enrichment courses help adults with developmental disabilities function more independently in the home, at work, and in the community. Of equal importance, students will have the opportunity to increase their social and community awareness by visiting Montgomery College and learning what it has to offer. Before class begins, please call 240-567-5188 for classroom assignments, changes, or cancellations.

For more information, please visit: www.montgomerycollege.edu/wdce

**Student Expectations:**

Students are expected to be able to navigate the Campus independently and must abide by the student code of conduct. Any violation may result in disciplinary action, including dismissal from the program.

For support services due to a disability, please contact Natalie Martinez at 240-567-4118.

Winter Session

Drawing and Painting—Introduction

Come make a splash in the art world while you learn drawing and painting basics, mixing paints, and techniques. Let your imagination fly and your creativity shine through as we experiment with watercolors and acrylic paints. We will create amazing realistic paintings, still life paintings, and seascapes. Learn how to control balance between water and paint to produce vibrant, lifelike paintings. Final artwork will be discussed and critiqued. Join us for hours of fun and creativity! **Materials needed for class:** a smock; 4 paint brushes; 18 x 24 paper; pencils; and red, blue, yellow, white, and green acrylic paint.

Certified Python Programmer—PCEP
PCEP—Certified Entry-Level Python Programmer certification is a professional credential that measures your ability to accomplish coding tasks related to the essentials of programming in the Python language. A test candidate should demonstrate sufficient knowledge of the universal concepts of computer programming, the syntax and semantics of the Python language as well as the skills in resolving typical implementation challenges with the help of the Python Standard Library. The main goal of the course is to guide you from a state of complete programming illiteracy to a level of programming knowledge which allows you to design, write, debug, and run programs encoded in the Python language, and to understand the basic concepts of software development technology. The course will prepare you for jobs and careers connected with widely understood software development, which includes not only creating the code itself as a junior developer, but also computer systems design and software testing. This is a hybrid class with 40+ hours of...

Health Sciences

All Health Sciences Students:

FULL COVID VACCINE IS MANDATORY FOR ALL HEALTH SCIENCES STUDENTS PRIOR TO THE FIRST DAY OF IN-PERSON CLASSES!

Students must understand and meet all requirements and/or standards imposed by recognized professional regulatory agencies and all contract requirements imposed on College students by the institution or agency where the clinical practice is to occur. Please see our website for details.

Some classes are taught online via Zoom and/or Blackboard Learning Systems. Therefore, you will need a computer, laptop, or smartphone camera ready with speakers, internet access and a browser that is current.

For classes that are scheduled to be on campus, COVID19 training is required prior to entry into the health sciences building—located on the Blackboard Community website under WDCE Nursing Hub. Students must also complete the daily assessment self-screening survey. You are required to wear a mask, wash hands before and after using equipment, and practice social distancing as required by the CDC.

Nursing Refresher: Clinical [TIP]

Practicing nurse experts supervise your 60 hours of clinical experience in medical-surgical nursing, which includes patient assignments, team work, completing documentation and care plans, and giving medication. Basic skills lab practice and emergency medicine review will be provided. You must register for the classroom, clinical, and lab in order to use the payment plan. There is a nonrefundable fee to participate in the payment plan. Prerequisite: Concurrent enrollment in NUR078 or NUR077 and NUR023.

A. Nursing License: If your Maryland license has lapsed, you must apply for, pay for, and receive an inactive license. If you have an active license from any state other than Maryland, you must apply for and receive a Maryland license before starting your clinical.
B. CPR Certification: This must be a healthcare provider-level course from American Heart Association.
C. 1. A complete physical exam, signed by your health provider, within 9 months of the start date for clinical. (You must use the Montgomery College Nurse Refresher Health form).
2. Proof of immunity to the following diseases:
   *Mumps, Measles (Rubella) and Rubella: Must provide serologic evidence that you are immune to Mumps, Measles and Rubella (positive titers). If blood titers are negative for any of these 3 diseases, you must receive two (2) doses of Mumps, Measles and Rubella vaccine (MMR) given 4 weeks apart. (Information documenting past MMR vaccinations is appreciated but cannot take the place of the titer test results.)
   *Varicella: Must provide serologic evidence that you are immune to Varicella (positive titers). If titers are negative, you are required to receive two (2) doses of Varicella vaccine given 4 weeks apart. (Documentation of childhood disease will not be accepted). *Hepatitis B: Three (3) doses of Hepatitis B vaccine given 0.1, and 6 months apart, followed by Hepatitis B surface antibody testing 1-2 months after dose #3 is required. If you cannot provide documentation of the 4-step vaccination process described above, you must obtain serologic evidence of immunity (positive Hep Bs Antibody titer). If this titer is negative for immunity, the vaccination series must be repeated. *Tetanus, Diphtheria, and Pertussis: Documentation of one (1) dose of Tdap vaccine (not to be confused with TDap) in the past two (2) years, regardless of when the last Tetanus and Diphtheria vaccine was given. *Influenza: Vaccine is to be given at least 1 month prior to the start date for clinical. Please note: Vaccine series must be completed by the second week of class. All laboratory titers must have date blood was drawn as was test results.

3. Tuberculin Skin Test: (Mantoux Tuberculin test) within 9 months of the start date for clinical is required. If test results show TB exposure in the past or present, you must obtain clearance from your health provider that you are able to attend clinical. A chest x-ray may be needed. (Use the Montgomery College TB clearance form which will be provided with the Health Inventory Form when getting evaluated.)

Rise in Extremism and Hatred Movements  
According to the American Defamation League, 2020 was the third-highest year on record for antisemitic incidents since they began tracking in 1979. The ADL also reported, that by the summer of 2021, they had seen an exponential rise in all forms of extremist hatred and violence (ex. the rise in anti-Asian attacks). Discuss how this rise in extremist hate is not limited to the United States, that it is instead a worldwide phenomenon of greatest concern. Explore the historical roots of extremist and hate movements, their characteristics, and their organizational strengths and weaknesses, and of the threat they pose in the midst of the enduring pandemic crisis. Coaching—Introduction to

If you seek to inspire and motivate others, then coaching may be the skill set for you. This emerging field draws on numerous communication approaches and techniques you can use to support others in achieving short and long-term goals by developing a positive approach to all areas of their lives. In this experiential 3 1/2 hour introductory session, we will discuss what coaching is—and isn’t—distinguishing coaching from mentoring, consulting, therapy, training and athletic development, coaching core beliefs, qualities of an effective coach and the essential components of all coaching interventions. Additionally, the Montgomery College Coaching Certificate Program, the International Coach Federation (ICF) coach credentialing process and the latest trends in the coaching industry will be addressed. Nonprofit Leadership Boot Camp
Montgomery Colleges Nonprofit Leadership Development program focuses on developing the leadership potential and capacity of emerging leaders serving our community and striving to create beneficial change for the people who live here and the environment they live in. Designed for participants who are either new to a leadership role or looking to expand their leadership confidence and competence from within a mid-level leadership job. This seminar engages participants in clarifying the role of leadership in their lives and their work, developing strategies to advance their individual leadership aspirations, and mastering frameworks that support leadership success. These skills and understanding are then applied to key areas of nonprofit organizational management with opportunities to assess and recreate systems that align our day-to-day work with the outcomes we want to create for ourselves and the organizations we serve. The program introduces practical tools and frameworks and then uses them to explore the different management domains of governance, programming, finance, human resources, strategy, communications, and engagement.

Driver Education

Montgomery College’s Driving School is Maryland MVA licensed and certified. Our instructors are professional educators with over 20 years of experience teaching. We go the extra mile to teach safe, mindful and defensive driving techniques that diminish distractibility. Our 36-hour course consists of 10 three-hour classroom sessions, and 3 two-hour individual behind-the-wheel driving sessions using our late model cars. Students under 18 MUST be accompanied by a mentor (parent, guardian, etc.) and MUST bring their learners permit to the first class/orientation session. Students will learn Montgomery College driving school policies, which include mentor or parental
Driver Education with Additional Supports

Montgomery Colleges Driving School and its instructors are Maryland MVA licensed and certified. Our additional support instructors are dually certified in Special Education. This course, in a small classroom environment, prepares rookie drivers to test for a Maryland driver license. Our 36-hour course consists of 10 three-hour classroom sessions, and 3 two-hour individual sessions using our own cars. This course provides the exact same MVA curriculum as SFT-043 Driver Education, but with built-in supports. Rookie drivers MUST be accompanied by mentor (parent, guardian, etc.) at the first class/orientation and MUST bring a valid learners permit to the first class/orientation. Montgomery College educates mentors on how to manage the learning-to-drive experience through our mentor/parental involvement expectations, our 12 driver readiness indicators with self-assessments, and a collaborative approach between mentor and instructor(s). For additional information, visit us on the web at http://cms.montgomerycollege.edu/wdce/bits/driveredspecialneeds.html. Behind the Wheel (BTW) 6 hours to be scheduled in class. WDCE Bridge to Academic and Career Success Program

Students will be directed to the academic coordinator of Bridge based on the information exchanged in the MC English Remote Placement (https://www.montgomerycollege.edu/admissions-registration/assessments.html). Once connected with the academic coordinator, the student will take a standardized reading assessment to determine which placement is the best fit. The WDCE Bridge Program or the Connecting Reading and Writing Class. The Bridge Program is intended for students that test at a minimum of an 8th grade reading level. Connecting Reading and Writing is intended for students that test between 5th and 7th grade reading levels.

The academic coordinator will provide the reading assessment to students that helps to determine Bridge Program versus Connecting Reading and Writing placement on a rolling basis, Tuesdays and Thursdays. To take the reading assessment, contact Academic coordinator, Jessica Hall jessica.hall@montgomerycollege.edu.

Participation in the WDCE Bridge Program requires registration in all three courses, Student Success and Career Planning, Reading Comprehension, and Writing Comprehension, in the same group. Books and materials necessary for class can be purchased through the Montgomery College Bookstore. In addition, you must have access to Wi-Fi and a laptop, tablet or desk computer.

Program tuition and fees: $541 + $208 = $749* Non-Residents: Add $465.00 (*Does not include the cost of books)
Additional classes will be offered, based on need.

For WDCE Bridge enrollment and registration information contact a WDCE Bridge Counselor at WDCE-Bridge-Program@montgomerycollege.edu (preferred) or 240-567-7916.

Enrichment programs for youth grades K–12

Year-Round Youth Programs at Montgomery College!
Providing high-quality programs that are educational, engaging, and fun!

Montgomery College Youth Programs
In partnership with MC faculty, we have developed intellectually stimulating and fun activities, classes, and programs with vetted vendors and instructors. They are offered in a safe, supervised environment as well as online. We welcome the opportunity to have your children join us whether they are looking for an intro to a new subject, deepening an interest in what they already enjoy, or mastering study/success strategies. We even offer sessions to explore career choices.

One Day Programs
Youth Programs offers one-day events that explore a specific topic. These events take place on designated Saturdays throughout the year at one of our campuses.

Kids’ College
Enrichment courses for students in Grades K–12 are offered after school and on Saturdays. They are offered online or on one of our campuses.

Summer Youth Programs
Montgomery College Youth Programs provides high quality summer camps designed with cutting edge technology and integrated skills. The camps are offered online and on all three of our campuses.
Academic Programs and Courses

Inspiring, Engaging, and Relevant

Montgomery College offers more than 130 programs of study to enable you to achieve your goals. Our academic programs are designed to engage, inspire, and empower you to move forward. Are you a high school student looking to fulfill your early promise, or a high school graduate taking the next step? Are you an adult student looking to master a new discipline, or continue your training and grow your skill set in a specific field? Whether you are a transfer student or an international student, a military service member or senior student, MC has the program for you. Find out more about Montgomery College’s Academic Affairs Division.

* General Studies: a flexible degree path emphasizing transfer in one of four academic cores: Humanities, Arts, Communications, and Languages (HACL); Science, Technology, Engineering, and Math (STEM); Social Sciences, Administration, and Health (SSAH); or Integrated Studies (INTG)

Special Programs

Montgomery College is home to several special programs designed to enhance our students’ learning experiences and better prepare them to enter a career or obtain a bachelor’s degree.

- The Achieving Collegiate Excellence and Success (ACES) targets Montgomery County high school students and guides them through completion of a four-year degree.
- The American English Language Program prepares non-native speakers of English for successful college work in the United States.
- The Global Humanities Institute brings the world into our classrooms and helps prepare students for the global economy.
- The Gudelsky Institute for Technical Education prepares students for careers in automotive technology, building and construction, computer publishing, and other technical fields.
- The Health Sciences Institute prepares students for various health care careers, from diagnostic medical sonography to surgical technology.
- The Hillman Entrepreneurs Program supports and develops aspiring entrepreneurs, leaders, and scholars.
- The International Education and Study Abroad Program provides opportunities to study in other countries.
- The Paul Peck Humanities Institute facilitates internships at the Library of Congress, Smithsonian Institution, and United States Holocaust Memorial Museum.
- The School of Art + Design provides a portfolio-intensive, art school experience designed to transfer to premier art colleges.

Providing Opportunities, Empowering You to Succeed
Services for Students with Disabilities

Montgomery College complies with the provisions of Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2009. The College provides accommodations, access to facilities, programs, activities, and services for qualified students with documented disabilities. Accommodations are determined on a case-by-case analysis based on information provided by a qualified professional.

If you need support services due to a disability, please contact Natalie Martinez, WDCE Disability Support Services Counselor, to schedule an appointment, phone 240-567-4118, e-mail natalie.martinez@montgomerycollege.edu, Fax: 240-567-5163 at least two weeks prior to the start of the classes to ensure timely services. If necessary and appropriate, students may register for courses or activities prior to or while going through the support services process but are expected to comply with required deadlines to ensure that appropriate accommodations can be secured.

Any student who may need assistance in the event of an emergency evacuation must identify to Disability Support Services; guidelines for emergency evacuations are at www.montgomerycollege.edu/dss/evacprocedures.htm.

Under provisions of the Americans with Disabilities Act, this material is available in alternative formats by contacting the Disability Support Services Office at 240-567-4118. A Sorenson Video Relay Service with a large monitor is available in the Rockville, Takoma Park/Silver Spring and Germantown Campus libraries.

Students Under 16

Students must be 16 or older, or have permission of the program area by the start date of class, in order to participate. Call 240-567-5188 for more information.

Co-Listed Classes

Classes marked with this code CoL are co-listed. They are offered so that students may register either for credit or continuing education (noncredit) status. Co-listing gives students an option to choose the best path for their educational needs. Each section includes both credit and noncredit students. For students seeking credit classes, please consult the credit course schedule. The expectations for attendance, participation, and effort are the same for all students. Instructors will announce policies concerning class activities.

If you have registered as a noncredit student in a co-listed course and you wish to change from noncredit to credit status, you will have one day after the class has begun to do so. After that, you are committed to your path as a noncredit student for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status. Dates for co-listed classes may reflect the actual credit term dates. Please check the day on your calendar for the actual start date of your class.

Parking Regulations

Each person associated with the College who parks a vehicle on any Campus of the College or any property owned, leased, maintained, or operated by the College must register the vehicle regardless of its ownership. Students, faculty, staff and visitors must abide by college traffic regulations. The College reserves the right to issue a citation or tow, at the owner’s risk and expense, any unregistered vehicle parked in violation.

Instructions for Parking Permits:

Students parking a vehicle on any Campus of the College (Rockville, Germantown and Takoma Park/Silver Spring) while attending a program will receive a temporary (15 day) parking permit with their class confirmation materials. If you register via the web, your printed confirmation or registration history will serve as a parking permit until you can print out the WDCE Student Temporary Parking Permit. The parking permit is free to students but you must register your vehicle.

All Students registered for WDCE classes spanning greater than 15 days from start to end date MUST obtain a parking permit following steps 1 to 4 below.

1. In order to obtain the permit, students need to log into MyMC the day after they register for the class.
2. Click on the "Order MY Parking Permit/ Pay Parking fines" link on the “MyMC Quick Links” tab.
3. Put in the start date and the end date of your class(es).
4. Print the permit.

Be sure to click the print link on the confirmation page as the permit will not be mailed. Information about vehicle registration and parking, and how to pay or appeal a citation is available at www.montgomerycollege.edu/parking. The Montgomery College Motor Vehicle Regulations are available at www.montgomerycollege.edu/verified.

Textbooks and Materials

Textbooks/course materials: Purchase textbooks and/or course materials at the Campus where your class will be held. For classes held at the Gaithersburg Business Training Center, Distance Education and Learning Technologies (DELT), and off-Campus MCPS locations, please use the Rockville Campus MC Books & More; for classes at Westfield South use the Takoma Park/Silver Spring Campus MC Books & More. You do not need to go to a Campus store to make your purchase. You may purchase your textbooks/course materials online to have your purchases mailed to you. To order online or to find out more details about purchases, buybacks, returns, contact information, ebooks, rentals, and more, visit the College’s MC Books & More website at www.montgomerycollege.edu/bookstore or call the main number 240-567-5302. MC Books & More and the Cafritz Art Store & More are the Official Montgomery College Bookstores.

For information specific to WDCE, please visit our reference page at http://www.bkstr.com/montgomerycollegestore/home/

A USB flash drive/memory stick (at least 512 MB) is required for ITI classes unless otherwise specified. Please bring to your class.

Inclement Weather

Inclement weather conditions: go to www.montgomerycollege.edu or call 240-567-5000. If the College is closed, there are no classes. For classes meeting in a Montgomery County Public Schools facility, go to www.montgomeryschoolsmd.org. If MCPS is closed, or evening activities are cancelled, there are no classes. Students attending classes at local hospitals, will have class unless notified by their instructor.

Scholarship Opportunities

For detailed information regarding scholarship opportunities and how to apply, visit https://www.montgomerycollege.edu/workforce-development-continuing-education/wdce-scholarships/index.html

Montgomery College is an academic institution that is committed to equal opportunity and fostering diversity among its student body, faculty and staff. Inquiries regarding Montgomery College’s nondiscrimination compliance policies and procedures may be directed to Dr. Brenda Williams, Director of Employee & Labor Relations, Workforce Diversity and Inclusion, 240-567-5367.
Registration Options

Regardless of which registration option you select, registrants will be enrolled in the order that registration and payments are received (to avoid disappointment, register early); payment is required at the time of registration. All students must register prior to attending the first class.

Payments

Payment MUST be made IN FULL at the time of registration to avoid being deleted from the course. Complete information is required to process all registrations and payments. Further instructions for WEB, FAX, or MAIL-IN payments can be found at: www.montgomerycollege.edu/wdce/registerops.html.

Registration will not be processed without appropriate payment.

Residential Policy

The following are general guidelines taken from the College policy on residency for tuition purposes. A complete copy of the policy is available in the Montgomery College Catalog.

A. Students attending Montgomery College will pay tuition according to their residency classification.

To qualify for in-state tuition, a student must be a U.S. Citizen, Permanent Resident or have a qualifying Visa status.

B. To qualify, for tuition purposes, as a resident of the state of Maryland, legal domicile must have been maintained for a period of not less than three months prior to the first regularly scheduled class for the semester; unless you are a member of the Military covered under HB935.

C. The domicile of a person registering in a noncredit course at Montgomery College shall be considered as a person's permanent place of abode, where physical presence and possessions are maintained, and where he/she intends to remain indefinitely.

Refund Policy

Refunds are paid at 100% for classes canceled, dropped online, or in person (using a Drop Form), prior to the start date of the class. Refunds are also paid at 100% if class is dropped prior to the Refund Date printed on your registration confirmation. DO NOT drop classes online on or after the day the class begins; you will not receive a refund. APPE students must call 240-567-7262 for refund/withdrawal instructions. Refunds for open enrollment classes will go to the registered student of record. For the Drop Form and more information, visit www.montgomerycollege.edu/wdce/register/refundpolicy.html.

Transfer Policy

To transfer from one CRN to another CRN of the same course, a letter must be received in the Admissions, Records, and Registration Office, Montgomery College, 51 Mannakee Street, Rockville, MD 20850 before the beginning date of both CRNs of the course. If you have enrolled in a co-listed course you will have only one day after the class has begun to transfer. After that, you are committed to your path for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status.

Tuition Installment Plan (TIP)

The Tuition Installment Plan (TIP) may allow students to pay registration charges in several payments; some restrictions apply. Each term is independent and must be enrolled in separately. A nonrefundable fee is required to participate in TIP. Students must register online during the TIP enrollment period prior to the close date indicated for each plan. Only courses with a “TIP” code have a tuition installment plan available. For more information go to www.montgomerycollege.edu/wdce/registerops.html.

Tuition Waiver

Only noncredit courses designated “tuition waiver applies” in each publication will be available for tuition waiver. This statement appears in each applicable course description. Only tuition is waived; required fees must be paid by the student. Documents must be received at time of registration.

Senior Tuition Waiver (TWA): Maryland residents 60 years or older by the start date of the class may have tuition waived.

Disability Tuition Waiver: Please go to montgomerycollege.edu/wdce/register/disabilitywaiver.html for information.

National Guard Tuition Waiver: If you are currently a member of the Maryland National guard and are enlisted for at least a 24-month period, you are eligible for a 50 percent tuition waiver. You must submit proof of such from the adjutant general's office.

VA-Approved Course: Courses indicated with this [VAA] code are approved for VA educational benefits under Title 38, U.S.C., Section 3676. (Post 9/11 GI Bill). For more information, visit www.montgomerycollege.edu/wdce/registerops.html.

Distance Learning (DL) are offered completely online and allow students to learn independently, on their own schedules, as they meet specific deadlines and complete assignments. Instructors guide students’ learning with lessons, activities, and feedback through a Blackboard course site.

Structured Remote (SR) are scheduled on specific days and at specific times. Students meet as a class remotely through Zoom or Blackboard Collaborate; instructors will tell students which software to use. Students complete reading and assignments according to the course schedule. Class sessions take place in real time, and the instructor leads course sessions.

Hybrid (face to face & DL or SR) are listed in the course schedule with specific times and locations. Some meetings will happen online via structured remote or distance learning along with some on-campus meetings.

More information on instruction types can be found on the web at https://www.montgomerycollege.edu/coronavirus/student-guidance.html#instruction.

CLEP: An Inexpensive Way to Translate Knowledge into College Credit

CLEP is a way to receive credit for what you already know by earning qualifying scores on any of the 34 exams that are offered.

Due to COVID-19, CLEP testing at our GBTC testing site is currently suspended. We look forward to reopening in spring 2022.

New Vaccination Requirements

Montgomery College to Implement COVID-19 Vaccination Requirements for Students and Employees.

Given the prolonged health crisis that our nation is experiencing, Montgomery College will implement COVID-19 vaccination requirements for faculty, staff, administrators, and students. **All employees must verify that they are fully vaccinated against the coronavirus by November 8, 2021. Students must verify that they are fully vaccinated by January 7, 2022, in time for the spring semester.**

For on-campus classes, you must register at least 48 hours before the start date of class. This will allow time to submit and verify COVID vaccination requirements.
