What Is Workforce Development and Continuing Education (WDCE)?

The Workforce Development and Continuing Education (WDCE) programs at Montgomery College provide a wide range of noncredit and credit educational offerings and services designed to meet the needs of county residents and businesses. Individuals in career transitions, those reentering the workforce, and those maintaining current technical skills, as well as those seeking lifelong education enrichment experiences, are among the 25,000 students each year. High-quality noncredit courses are available in numerous program areas including information technology, small business and management, technical training, certification and licensure preparation, financial planning, real estate, early childhood education, health sciences, professional development, writing, English as a Second Language, human resources, supervision, and more. Special programs are available for older adults, adults with developmental disabilities, and Spanish speakers. Course offerings change continuously to reflect the ever-changing needs of the businesses and communities we serve. As you peruse the programs and services in this publication, we’re sure you’ll find a wide variety of offerings suited to you.

In addition to classes for individuals, we contract with many businesses and government agencies to provide customized training for their employees. These classes are held at places of employment or can be offered at WDCE sites throughout the county.

About Our Students

When you enroll in one of our Workforce Development and Continuing Education courses, you will be joining more than 25,000 people who have attended our programs during the past year. These people come from diverse backgrounds but have one thing in common: the desire to learn new things. Although the median age of our students is 40, many of our students are young or older adults. Students come from all corners of the community, regardless of age and educational experience.

About Our Faculty

Our faculty are carefully screened professionals with expertise in their fields. Some are drawn from the College’s credit faculty. Instructors are hand-picked for their teaching skills, professional knowledge, and talent, ensuring our reputation as a provider of high-quality courses.

Where to Find Us

Classes are held on the Germantown, Rockville, or Takoma Park/Silver Spring Campuses at Montgomery College and two satellite Campuses—Westfield South in Wheaton and the Gaithersburg Business Training Center in Olde Towne Gaithersburg. Additional off-campus locations have been selected for convenience, amenities, and suitability for instruction. Classes meet at more than 40 locations countywide, including on site at places of employment.

Open to All

Montgomery College is committed to equal employment opportunity that assures access, equity, and diversity. Further, the College is committed to providing an environment in which all persons are provided the opportunity for employment, participation in academic programs, and/or other college activities free from discrimination, any form of harassment as prohibited by federal regulations and state law, and sexual assault.

National Recognition

Montgomery College Workforce Development and Continuing Education is certified by the Learning Resources Network (LERN), an international association in lifelong learning. LERN has rated our Workforce Development and Continuing Education unit as one of the leading providers of continuing education programs in North America.

What's Happening

Fall 2021

Visit our website often for up-to-date course information.

Our on-campus registration offices open August 2! We look forward to seeing you IN PERSON. See page 104 for open locations and hours.

Most Noncredit Fall 2021 classes will be held online through Distance Learning or Structured Remote teaching for the entire semester. Some classes that focus on hands-on skills and learning experiences will meet on campus. Decisions to move into future phases will depend on state and county guidelines. See full details of the plan and the phases, including resources for students, employees, and the community, at MC Resilient: www.montgomerycollege.edu/resilient-mc/index.html.

Distance Learning (DL) are offered completely online and allow students to learn independently, on their own schedules, as they meet specific deadlines and complete assignments. Instructors guide students’ learning with lessons, activities, and feedback through a Blackboard course site.

Structured Remote (SR) are scheduled on specific days and at specific times. Students meet as a class remotely through Zoom or Blackboard Collaborate; instructors will tell students which software to use. Students complete reading and assignments according to the course schedule. Class sessions take place in real time, and the instructor leads course sessions.

Hybrid (face to face & DL or SR) are listed in the course schedule with specific times and locations. Some meetings will happen online via structured remote or distance learning along with some on-campus meetings.

If you are required to come to campus, follow the Health and Safety Guidance found on the web at: https://www.montgomerycollege.edu/coronavirus/return-to-campus-health-safety.html

More information on instruction types can be found on the web at https://www.montgomerycollege.edu/coronavirus/student-guidance.html#instruction.

Please check our webpage for the latest information. https://www.montgomerycollege.edu/wdce/esl.

This information is accurate at the time of publication but may change.

APPE (ESL) offers many courses for students whose first language is not English. Courses include instruction in reading, writing, speaking, listening, grammar, pronunciation, and vocabulary. Beginning through advanced levels are available.

How to Register for APPE/ESL Classes Fall 2021—Special Instructions

This fall we have classes on the Rockville and Takoma Park/Silver Spring campuses. We also have classes taught remotely through Zoom, Blackboard and other online tools. If you register for a remote class, you will receive the Zoom link the day before the class begins.

You must have a reliable internet service and a computer or mobile device from which you can access Zoom, email and other websites. Please go to our webpage for more detailed registration information or call Customer Service at 240-567-5188 for help. After your course begins, you may be moved to a different class if your teacher finds you are in the wrong level.

You must register in person at one of the registration locations by 11:59 p.m. the day before the class begins. If you cannot, you must contact Annette Greene at 240-549-2691 or annette.greene@montgomerycollege.edu.

Our Contact Information:
• E-mail: ESL-Rockville@montgomerycollege.edu

  Saturday (Rockville only): 8:30 a.m. to noon

New Students
If you wish to take classes this fall, you must take the APPE Assessment Test or the Montgomery College Remote Placement Test. The APPE Assessment Test is done by appointment only. It includes an oral interview and a timed writing test. The test takes about one hour. To make an appointment for the test, you can call, email or text us (see contact information above).

Returning Students
You should register online based on the recommendations from your instructor at the end of your last class. If you took this class more than one year ago, you need to contact us to see if you need to be retested. You can only take a course three times. If you do not pass with a grade of A or B after three times, you cannot take it again without special permission. Please contact us if you have a question or need help with registering (see contact information above).

Degree-Seeking Students
If you took the Accuplacer-ESL (or the Montgomery College ESL Remote Placement test) and placed into Workforce Development & Continuing Education, call 240-549-2691 or email us at ESL-Rockville@montgomerycollege.edu. If you already have a Placement, you can register online—you do not need to contact us, but you can if you have a question. If you need help registering, please call us at 240-567-5188. If you are interested in the credit program, call 240-567-5000 for more information.

Disability Services
If you need support services due to a disability in order to take this test or take a class, you must contact Natalie Martinez at 240-549-4118. This must be done at least two weeks before the test date (or the class start date) in order to ensure timely services.

We have three types of classes this fall! Check website for more information about classes.

Structured Remote (SR) are scheduled on specific days and at specific times. Students meet as a class remotely through Zoom or Blackboard Collaborate; instructors will tell students which software to use. Students complete reading and assignments according to the course schedule. Class sessions take place in real time, and the instructor leads course sessions.

Face-to-Face classes meet on campus on specific days and at specific times. If health conditions change, they may transition to Structured Remote.

Distance Learning (DL) are offered completely online and allow students to learn independently, on their own schedules, as they meet specific deadlines and complete assignments. Instructors guide students’ learning with lessons, activities, and feedback through a Blackboard course site.
Animal Reiki I
This course will benefit you if you are new to Reiki or an experienced practitioner interested in learning more about working with animals. You will be introduced to Reiki, the Japanese healing system and the history of its founders. You will learn to perform Reiki sessions on animals with a focus on healing and balancing. TWA
Course: PET010 10 Hours

CRN#: 25034 2 Sessions S 10/9-10/16 10 a.m.-12:30 p.m.
Art + Design

Classes & Workshops for Adults and Teens
Welcome to our community of artists! Join us for affordable visual & performing arts classes taught online and in-person. Professional artists teach all classes. See our performing arts listings on page 66. We do not anticipate Montgomery College to fully reopen this fall, so we are running a majority of our classes remotely. We plan to add more on-campus classes than are listed here, with a final on-campus schedule available July 26. See our website for updated offerings.

Drawing

Children’s Book Illustration
Have you ever wondered what it takes to illustrate a children’s book? In this course, students learn about visual storytelling, the layout and design of children’s books, and the process of conceptualizing a picture book from start to finish. Students will choose a story to work with, create a storyboard, and work on a book dummy. We will look at examples, discuss composition, drawing and painting methods, and how to pitch to publishers or self-publish. Note: though you will be drawing, this is not a drawing class. The focus is on illustrating a story, as opposed to drawing an illustration.

Bio-Trac Gene Editing with CRISPR
Gene engineering provides the ability to manipulate gene expression in a desired cell type. In order to realize the full potential of stem cells, the development of tools to modify targeted genes is paramount. This course will provide an overview of the CRISPR engineering platform. The first part of the course will cover the general principles of the CRISPR technology including design and assembly along with the platforms available and different costs associated with each of them. The second part of the course will transition into different applications including engineering in mice, disease modeling, generating iPSC reporter lines, and high throughput approaches. We will also consider sequencing and quality control considerations for these technologies. TWA

Challenge Program
These unique enrichment courses help adults with developmental disabilities function more independently in the home, at work, and in the community. Of equal importance, students will have the opportunity to increase their social and community awareness by visiting Montgomery College and learning what it has to offer. Before class begins, please call 240-567-5188 for changes or cancellations.

For more information, please visit: www.montgomerycollege.edu/wdce

Student Expectations:
Students are expected to abide by the Student Code of Conduct, as well as course expectations during Structured Remote/Zoom classes. Any violation may result in disciplinary action, including dismissal from the program.

For support services due to a disability, please contact Natalie Martinez at 240-567-4118.

All About Gardening NEW
Join us to learn the science of gardening: parts of the plants, watering, sunlight, fertilizing, mulch and nutrients in the soil. You will learn about gardening tools, and how important the weather is to a garden. You will be given seeds to grow plants and will input data on plant growth over the semester. Plants are essential to your garden; flowers fall into two general categories: annuals and perennials. In addition, water, fertilizer and mulch are key elements needed to have a successful garden. You will learn the importance of the ecosystems and the complex issues involved in climate change. Join us and become a green thumb gardener!

Effective Communication in the Workplace
Effective communication in the workplace is an essential part of any organization. Employers want employees who communicate effectively, are positive, good listeners and practice being open minded. You will learn the communication skills you need to succeed in the workplace such as: the most effective way to communicate verbally and non-verbally, the proper use of phones and cellphones in the workplace and strategies for managing conflicts and interacting with coworkers. We will have team building and leadership activities that will help lead to stronger relationships and less conflict at work and in life. Mastering these skills will help empower you, build self-esteem, and lead to increased success in the workplace. Join us as we discuss how to be a successful team member and a productive employee.

Essential Life Skills
Whether you are looking forward to moving out on your own or you do not feel quite ready, learning essential life skills will help you feel more confident and prepare you for independence. This class will teach you how to set tangible goals and create an action plan to achieve these goals, develop a budget and learn how to manage your finances, take care of your health by learning good grooming and healthy habits. You will be making menus, creating shopping lists and learning about kitchen safety. You will also learn proper laundry techniques and even learn how to sew on a button! You will create an emergency plan and learn basic first aid. We will discuss how to stay socially connected and how to be a responsible and productive member of your community.

History of Holidays: Hurrah for Holidays!  NEW
Do you know why we celebrate holidays? Let's get together to learn about the history of holidays and why we celebrate them. We will study Thanksgiving, Christmas, Hanukkah, Kwanzaa, New Year's, Valentine's Day, Halloween, Easter, Passover, Columbus Day, Labor Day, Martin Luther King's Birthday, Mother's Day, Father's Day, Fourth of July, Memorial Day, Earth Day, St. Patrick's Day and more! Each holiday will be coupled with activities, class discussion, research and projects. You will be assigned a service project to complete in your neighborhood and discuss it during class. As we move through the calendar, you will study the history of Mother's and Father's Day and write letters to each of them. You will research the Declaration of Independence, discuss the revolutionary war, and understand why we celebrate July 4th! ZOOM in and join us as we explore the history of Holidays.

Math in the Real World
Math is used every day! Did you know that minor home improvement projects are loaded with tons of measuring lengths, widths, and how much lumber you will need to complete your project? Grocery shopping is a weekly task that incorporates math; calculating prices while you shop, making sure you have the correct amount of money, and using coupons. Did you know that food items are not taxable? Baking requires math skills; when you bake a pie, cake or cupcakes, you will be using math by measuring ingredients correctly. In this class you will learn the value of time, creating your own to-do-lists and assigning tasks based on how long you think they will take. Math is everywhere!

History of Pop Music
Take a historical musical journey with us to learn about the history of Pop Music. Did you know that the first strings of pop music began in the 19th century with discoveries by Thomas Edison and Emile Berliner? In 1877, Edison discovered that sound could be reproduced using a strip of tinfoil wrapped around a rotating metal cylinder. Pop music started with the publishing of sheet music. Originating in the late 1950’s, as an alternative to normal rock and roll, early pop rock was influenced by the beat, arrangements and the original style of rock and roll. You will learn about the people who influenced pop music: The Beatles, Bob Dylan, Jimi Hendrix, Miles Davis, Elton John, Michael Jackson, Madonna and Taylor Swift. Join this fun, energetic jamming class!

This course provides the exact same MVA curriculum as SFT-043 Driver Education, but with built-in supports. This course, in a small classroom environment, prepares rookie drivers to test for a Maryland driver’s license. Visit us online at www.montgomerycollege.edu/wdce.
Paint Party
Painting parties are all the rage right now. You will gather to sip fun drinks and learn a new painting technique each week. You will make wonderful take home projects, such as stamped and stenciled aprons, rose mulled drinking goblets and painted trinket boxes. You will paint on canvas, wood and paper. You will try a new drink recipe each week, creating a drink to go with the theme of the art work. For example: hot chocolate when we paint winter trees and lemonade when we paint daisies on mason jars. Grab your apron and come paint, sip and socialize with us!

Performance Poetry and Storytelling: The Art of the "Spoken Word" NEW
Poetry jams, poetry slam and the art of "spoken word" have been around for a very long time - from soapbox presentations in the public square to readings in coffee shops. Amanda Gordan’s Inauguration poem was inspiring. Brandon Leaks won America’s Got Talent 2020 as a "spoken word" artist, Lin. Manuel Maranda and many of the original cast of Hamilton trained from the poetry slam scene. You will learn the history of the "spoken word" art and how it became a form of cultural expression. You will perform the words of others and write your own poetry and stories. Here’s your chance to express yourself, build confidence and experience joy. The art of "spoken word" is a form of self-expression that is meant for everyone!

Amazon Web Service AWS—Certified Solutions Architect Exam Prep
This AWS Solutions Architect exam prep course is designed for anyone seeking to learn the major components of Amazon Web Services (AWS). By the end of the course, you will be prepared to pass the associate-level AWS Certified Solutions Architect certification exam. The AWS certification is a must-have for any IT professional. A certificate in AWS Cloud technology can boost your salary up to 26 percent, and the average salary for certified IT professionals is, on average, 11.7 percent higher than those without. With this certification, IT professionals will be able to reach the highest levels of their profession. Not only will we cover the fundamentals of AWS architectural principles and services, we will also deep dive into each of the individual elements: IAM, S3, Cloudfront, Storage Gateway, Snowball, EC2, Cloudwatch, CLI, Lambda, Route 53, RDS, Dynamo DB, Redshift, ElastiCache, Aurora, VPC, SQS, SNS, Elastic Transcoder, Kinesis, API Gateway and so on. This is a hybrid class with some hours of asynchronous instruction. This class focuses mostly on ensuring that you understand concepts and scenarios of the type that are used in the AWS Solutions Architect exam. **Health Sciences**

**All Health Sciences Students:**

Students must understand and meet all requirements and/or standards imposed by recognized professional societies and all contract requirements imposed on College students by the institution or agency where the clinical practice is to occur. Please see our website for details.

Until further notice from the Montgomery County Leaders, classes will be taught online via Zoom and/or Blackboard learning systems. Therefore, you will need a computer, laptop, tablet, or smartphone camera ready with speakers, internet access and a browser that is current.

If classes resume, COVID19 training will be required prior to entry into the healthcare facility. Face masks, social distancing, and frequent hand-washing is also required.

For classes that are scheduled to be on campus, students must complete the daily self-screening survey. You are required to wear a mask, wash hands before entering or leaving building or classroom, wash your hands before and after using equipment, and practice social distancing as required by the CDC.

Please check the website for updates:

ON CAMPUS CLASSES/LABS
You are required to complete the self screen to show security, wear a mask, social distance, and wash hands. Your Instructor will confirm.
Nursing Refresher: Clinical  
Practicing nurse experts supervise your 60 hours of clinical experience in medical-surgical nursing, which includes patient assignments, team work, completing documentation and care plans, and giving medication. Basic skills lab practice and emergency medicine review will be provided. You must register for the classroom, clinical, and lab in order to use the payment plan. There is a nonrefundable fee to participate in the payment plan. 
**Prerequisite:** Concurrent enrollment in NUR057 and NUR023. 

A. Nursing License: If your Maryland license has lapsed, you must apply for, pay for, and receive an inactive license. If you have an active license from any state other than Maryland, you must apply for and receive a Maryland license before starting your clinical. 

B. CPR Certification: This must be a healthcare provider-level course from American Heart Association. 

C. 1. A complete physical exam, signed by your health provider, within 9 months of the start date for clinical. (You must use the Montgomery College Nurse Refresher Health form). 

2. Proof of immunity to the following diseases: *Mumps, Measles (Rubeola) and Rubella: Must provide serologic evidence that you are immune to Mumps, Measles and Rubella (positive titers). If blood titers are negative for any of these 3 diseases, you must receive two (2) doses of Mumps, Measles and Rubella vaccine (MMR) given 4 weeks apart. (Information documenting past MMR vaccinations is appreciated but cannot take the place of the titer test results.) 

*Varicella: Must provide serologic evidence that you are immune to Varicella (positive titers). If titers are negative, you are required to receive two (2) doses of Varicella vaccine given 4 weeks apart. (Documentation of childhood disease will not be accepted). *Hepatitis B: Three (3) doses of Hepatitis B vaccine given 0,1, and 6 months apart, followed by Hepatitis B surface antibody testing 1-2 months after dose #3 is required. If you cannot provide documentation of the 4-step vaccination process described above, you must obtain serologic evidence of immunity (positive Hep Bs Antibody titer). If this titer is negative for immunity, the vaccination series must be repeated. *Tetanus, Diphtheria, and Pertussis: Documentation of one (1) dose of Tdap vaccine (not to be confused with TDap) in the past two (2) years, regardless of when the last Tetanus and Diphtheria vaccine was given. *Influenza: Vaccine is to be given at least 1 month prior to the start date for clinical. Please note: Vaccine series must be completed by the second week of class. All laboratory titers must have date blood was drawn as well as test results.

3. Tuberculin Skin Test: (Mantoux Tuberculin test) within 9 months of the start date for clinical is required. If test results show TB exposure in the past or present, you must obtain clearance from your health provider that you are able to attend clinical. A chest x-ray may be needed. (Use the Montgomery College TB clearance form which will be provided with the Health Inventory Form when getting evaluated.) 

Must concurrently enroll in NUR057, NUR069, and NUR023.

“Folk Art:” What it is and What it Isn’t

Your grandmother’s quilt. An ancestor’s portrait in the attic. The weather vane atop a barn. All of these items, and more, have been lumped together as “folk art.” What really defines folk art-sometimes referred to as naïve, primitive, or outsider art? Did trained or untrained artists create these items? Examine some of these works—paintings, decorated utilitarian objects, sculpture, quilts (and other needle arts) that might fit the definition of “folk art.” Learn about major collectors in the field. Discuss if there is such an art category or is art whatever the creator calls “art?” TWA

History of Modern Iraq
Explore the early religious, political, and social forces that shaped Iraq’s history. Learn about the dramatic changes in Iraq following the end of four hundred years of Ottoman rule and the imposition of a fully invented monarchy by the British following World War I. Examine the central importance of the ouster of the monarchy and its replacement by a military dictatorship with political and economic control concentrated in the hands of the ruling Ba’ath Party (and within it-Sadam Hussein). Discuss the stability of the Hussein regime, its corrupt and tyrannical rule, his confrontations with Iran and Saudi Arabia, the invasion of Kuwait, the treatment of the Kurds, and finally the invasion in 2003. Analyze the post-invasion period comparing Iraqi democracy with neighboring regimes during the Arab Spring and the fight against ISIS. Special focus will be paid to the impact of Western political and cultural influence and the linkage between the Arab-Israeli conflict and the domestic political arena in Iraq. TWA

Bringing the United States Constitution to Life
In the late 18th century, the United States of America, less than 15 years old, replaced its Articles of Confederation with a new Constitution. This course will examine the provisions of the Constitution as well as its 27 amendments. Special emphasis will be placed on the application of the Constitution and the amendments to current issues. We will discuss the meaning of a nation having a constitution and the guiding principles of other nations such as England’s Magna Carta and the Articles of Confederation. The process by which the Constitution and the first ten amendments (the Bill of Rights) were adopted will be explored. You will analyze the various constitutional provisions which provided for three branches of government, the means of amending the document, and the various amendments that have been enacted and/or proposed. In addition, the current status of case law dealing with issues such as freedom of speech, freedom of religion, the right to bear arms, the right to counsel, the bar against unreasonable search and seizure, and the bar against self-incrimination will be discussed. Students 60+ pay fee only. TWA

Using noted contemporary author George Saunders’ primer, A Swim in a Pond in the Rain, read and discuss short stories by significant Russian authors and gain a better understanding of their contribution to the literary cannon. Analyze common themes and elements of crafts used by Russian authors, including Alexander Pushkin, Anton Chekhov, Ivan Turgenev, Fyodor Dostoevsky, Leo Tolstoy, and Nicholas Gogol. Required texts: A Swim in the Pond in the Rain by George Saunders (2021), The Best Short Stories of Fyodor Dostoevsky, translated with an introduction by David Magarshauck, and a few stories provided by instructor. Reading list is available on the LLI website for additional information.

The Lives and Literature of F. Scott Fitzgerald and Ernest Hemingway

Explore both the literary achievements and the complicated real-world friendship of these two modernist masters — F. Scott Fitzgerald and Ernest Hemingway. Examine Fitzgerald’s portrayal of, and profound exploration into, The American Dream. Learn about Fitzgerald’s deep familial roots in Rockville, MD and his passionate yet troubled relationship with his muse/ wife Zelda Sayre Fitzgerald. Analyze the way that Hemingway’s spare yet innovative prose style changed the way people thought about writing and helped define the “Lost Generation” of the 1920s. Discuss Hemingway’s extraordinarily rich and event filled life. Reading list is available on the LLI website for additional information.

Yoknapatawpha County: The Fictional World of William Faulkner

"The past is never dead," wrote Faulkner, "It's not even past." Yoknapatawpha County was the grand fictional setting that allowed Faulkner to explore the way in which the past continually endures and, in fact, shapes our lives in the present moment. Investigate the way Faulkner uses a highly experimental modernist prose style to establish a profound understanding of the vital connections between time and memory and the impact they have on the development of both personal and national consciousness. Financial Analysis and Management for Nonprofits
Students will gain an understanding of how to use financial information in nonprofit organizational planning, implementation, control, reporting, and analysis. The course also examines specific legal and policy issues affecting nonprofits and the role of competent financial oversight in guiding organizations through uncertain financial climates. Students in this course will develop their spreadsheet skills by using Microsoft Excel to perform financial calculations and create financial documents. Although this course is number-oriented, the emphasis is more on the application of various analytical techniques and a simple familiarity to basic accounting terms is sufficient to excel in the course. This course is ideal for executive directors, finance managers, board members, grant writers, and program officers. TWA

Nonprofit Leadership Boot Camp
Montgomery Colleges Nonprofit Leadership Development program focuses on developing the leadership potential and capacity of emerging leaders serving our community and striving to create beneficial change for the people who live here and the environment they live in. Designed for participants who are either new to a leadership role or looking to expand their leadership confidence and competence from within a mid-level leadership job. This seminar engages participants in clarifying the role of leadership in their lives and their work, developing strategies to advance their individual leadership aspirations, and mastering frameworks that support leadership success. These skills and understanding are then applied to key areas of nonprofit organizational management with opportunities to assess and recreate systems that align our day-to-day work with the outcomes we want to create for ourselves and the organizations we serve. The program introduces practical tools and frameworks and then uses them to explore the different management domains of governance, programming, finance, human resources, strategy, communications, and engagement.

Motorcycle Safety

Basic Rider Course 2-License Waiver (BRC2-LW)

This course is NOT for beginners! This eleven-hour course is for individuals that have current street riding experience and are seeking a class M license. This course includes three hours of formal classroom and five hours of riding exercises. It also includes three hours of independent study done at home via an online E-course prior to class. Participants are encouraged to use their own motorcycle by transporting them legally to the range. Upon successful completion of both a knowledge and riding skills test, you will receive a certificate and course completion card recognized by the Maryland Motor Vehicle Administration. Class materials, E-course instructions and correspondence will be sent to your MYMC email account and any secondary email you have on your MYMC account. E-course must be completed before first class session; must bring printed certificate to first class. TWA

Students will be directed to the academic coordinator of Bridge based on the information exchanged in the MC English Remote Placement (https://www.montgomerycollege.edu/admissions-registration/assessments.html). Once connected with the academic coordinator, the student will take a standardized reading assessment to determine which placement is the best fit. The WDCE Bridge Program or the Connecting Reading and Writing Class. The Bridge Program is intended for students that test at a minimum of an 8th grade reading level. Connecting Reading and Writing is intended for students that test between 5th and 7th grade reading levels.

The academic coordinator will provide the reading assessment to students that helps to determine Bridge Program versus Connecting Reading and Writing placement on a rolling basis, Tuesdays and Thursdays. To take the reading assessment, contact Academic coordinator, Jessica Hall jessica.hall@montgomerycollege.edu.

Participation in the WDCE Bridge program requires registration in all three courses, Student Success and Career Planning, Reading Comprehension, and Writing Comprehension, in the same group. Books and materials necessary for class can be purchased through the Montgomery College Bookstore. In addition, you must have access to Wi-Fi and a laptop, tablet or desk computer.

Program tuition and fees: $541 + $208 = $749* Non-Residents: Add $465.00 (*Does not include the cost of books)
Additional classes will be offered, based on need.

For WDCE Bridge enrollment and registration information contact Professor Margo Barnett margo.woodward@montgomerycollege.edu

Registration Period: July 26–August 29 2021

What's Happening

Fall 2021

Visit our website often for up-to-date course information.

Our on-campus registration offices open August 2! We look forward to seeing you IN PERSON. See page 104 for open locations and hours.

Most Noncredit Fall 2021 classes will be held online through Distance Learning or Structured Remote teaching for the entire semester. Some classes that focus on hands-on skills and learning experiences will meet on campus. Decisions to move into future phases will depend on state and county guidelines. See full details of the plan and the phases, including resources for students, employees, and the community, at MC Resilient: www.montgomerycollege.edu/resilient-mc/index.html.

Distance Learning (DL) are offered completely online and allow students to learn independently, on their own schedules, as they meet specific deadlines and complete assignments. Instructors guide students’ learning with lessons, activities, and feedback through a Blackboard course site.

Structured Remote (SR) are scheduled on specific days and at specific times. Students meet as a class remotely through Zoom or Blackboard Collaborate; instructors will tell students which software to use. Students complete reading and assignments according to the course schedule. Class sessions take place in real time, and the instructor leads course sessions.

Hybrid (face to face & DL or SR) are listed in the course schedule with specific times and locations. Some meetings will happen online via structured remote or distance learning along with some on-campus meetings.

If you are required to come to campus, follow the Health and Safety Guidance found on the web at: https://www.montgomerycollege.edu/coronavirus/

More information on instruction types can be found on the web at https://www.montgomerycollege.edu/coronavirus/student-guidance.html#instruction.

Academic Programs and Courses

Inspiring, Engaging, and Relevant

Montgomery College offers more than 130 programs of study to enable you to achieve your goals. Our academic programs are designed to engage, inspire, and empower you to move forward. Are you a high school student looking to fulfill your early promise, or a high school graduate taking the next step? Are you an adult student looking to master a new discipline, or continue your training and grow your skill set in a specific field? Whether you are a transfer student or an international student, a military service member or senior student, MC has the program for you. Find out more about Montgomery College’s Academic Affairs Division.

* General Studies: a flexible degree path emphasizing transfer in one of four academic cores: Humanities, Arts, Communications, and Languages (HACL); Science, Technology, Engineering, and Math (STEM); Social Sciences, Administration, and Health (SSAH); or Integrated Studies (INTG)

Special Programs

Montgomery College is home to several special programs designed to enhance our students’ learning experiences and better prepare them to enter a career or obtain a bachelor’s degree.

- The Achieving Collegiate Excellence and Success (ACES) targets Montgomery County high school students and guides them through completion of a four-year degree.
- The American English Language Program prepares non-native speakers of English for successful college work in the United States.
- The Global Humanities Institute brings the world into our classrooms and helps prepare students for the global economy.
- The Gudelsky Institute for Technical Education prepares students for careers in automotive technology, building and construction, computer publishing, and other technical fields.
- The Health Sciences Institute prepares students for various health care careers, from diagnostic medical sonography to surgical technology.
- The Hillman Entrepreneurs Program supports and develops aspiring entrepreneurs, leaders, and scholars.
- The International Education and Study Abroad Program provides opportunities to study in other countries.
- The Paul Peck Humanities Institute facilitates internships at the Library of Congress, Smithsonian Institution, and United States Holocaust Memorial Museum.
- The School of Art + Design provides a portfolio-intensive, art school experience designed to transfer to premier art colleges.

Providing Opportunities, Empowering You to Succeed
Services for Students with Disabilities

Montgomery College complies with the provisions of Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act (ADA) of 1990 and the Americans with Disabilities Act Amendments Act (ADAAA) of 2009. The college provides accommodations, access to facilities, programs, activities, and services for qualified students with documented disabilities. Accommodations are determined on a case-by-case analysis based on information provided by a qualified professional.

If you need support services due to a disability, please contact Natalie Martinez, WDCE Disability Support Services Counselor, to schedule an appointment, phone 240-567-4118, e-mail natalie.martinez@montgomerycollege.edu, Fax: 240-567-5163 at least two weeks prior to the start of the classes to ensure timely services. If necessary and appropriate, students may register for courses or activities prior to or while going through the support services process but are expected to comply with required deadlines to ensure that appropriate accommodations can be secured.

Any student who may need assistance in the event of an emergency evacuation must identify to Disability Support Services; guidelines for emergency evacuations are at www.montgomerycollege.edu/dss/evacprocedures.htm.

Under provisions of the Americans with Disabilities Act, this material is available in alternative formats by contacting the Disability Support Services Office at 240-567-4118.

A Sorensen Video Relay Service with a large Monitor is available in the Rockville, Takoma Park/Silver Spring and Germantown Campus libraries.

Students Under 16

Students must be 16 or older, or have permission of the program area by the start date of class, in order to participate. Call 240-567-5188 for more information.

Co-Listed Classes

Classes marked with this code CoL are co-listed. They are offered so that students may register either for credit or continuing education (noncredit) status. Co-listing gives students an option to choose the best path for their educational needs. Each section includes both credit and noncredit students. For students seeking credit classes, please consult the credit course schedule. The expectations for attendance, participation, and effort are the same for all students. Instructors will announce policies concerning class activities.

If you have registered as a noncredit student in a co-listed course and you wish to change from noncredit to credit status, you will have one day after the class has begun to do so. After that, you are committed to your path as a noncredit student for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status. Dates for co-listed classes may reflect the actual credit term dates. Please check the day on your calendar for the actual start date of your class.

Parking Regulations

Each person associated with the College who parks a vehicle on any Campus of the College or any property owned, leased, maintained, or operated by the College must register the vehicle regardless of its ownership. Students, faculty, staff and visitors must abide by college traffic regulations. The College reserves the right to issue a citation or tow, at the owner’s risk and expense, any unregistered vehicle parked in violation.

Instructions for Parking Permits:

Students parking a vehicle on any Campus of the College (Rockville, Germantown and Takoma Park/Silver Spring) while attending a program will receive a temporary (15 day) parking permit with their class confirmation materials. If you register via the web, your printed confirmation or registration history will serve as a parking permit until you can print out the WDCE Student Temporary Parking Permit. The parking permit is free to students but you must register your vehicle.

All Students registered for WDCE classes spanning greater than 15 days from start to end date MUST obtain a parking permit following steps 1 to 4 below.

1. In order to obtain the permit, students need to log into MyMC the day after they register for the class.
2. Click on the “Order MY Parking Permit/ Pay Parking fines” link on the “MyMC Quick Links” tab.
3. Put in the start date and the end date of your class(es).
4. Print the permit.

Be sure to click the print link on the confirmation page as the permit will not be mailed.

Information about vehicle registration and parking, and how to pay or appeal a citation is available at www.montgomerycollege.edu/parking. The Montgomery College Motor Vehicle Regulations are available at www.montgomerycollege.edu/verified.

Textbooks and Materials

Textbooks/course materials: Purchase textbooks and/or course materials at the Campus where your class will be held. For classes held at the Gaithersburg Business Training Center, Distance Education and Learning Technologies (DELT), and off-Campus MCPS locations, please use the Rockville Campus MC Books & More; for classes at Westfield South use the Takoma Park/Silver Spring Campus MC Books & More. You do not need to go to a Campus store to make your purchase. You may purchase your textbooks/course materials online to have your purchases mailed to you. To order online or to find out more details about purchases, buybacks, returns, contact information, ebooks, rentals, and more, visit the College’s MC Books & More website at www.montgomerycollege.edu/bookstore or call the main number 240-567-5302. MC Books & More and the Cafritz Art Store & More are the Official Montgomery College Bookstores.

For information specific to WDCE, please visit our reference page at http://www.bkstr.com/montgomerycollegestore/home/

A USB flash drive/memory stick (at least 512 MB) is required for ITI classes unless otherwise specified. Please bring to first class.

Inclement Weather

Inclement weather conditions: go to www.montgomerycollege.edu or call 240-567-5000. If the College is closed, there are no classes. For classes meeting in a Montgomery County Public Schools facility, go to www.montgomeryschoolsmd.org. If MCPS is closed, or evening activities are cancelled, there are no classes. Students attending classes at local hospitals, will have class unless notified by their instructor.

Scholarship Opportunities

For detailed information regarding scholarship opportunities and how to apply, visit https://www.montgomerycollege.edu/workforce-development-continuing-education/wdce-scholarships/index.html

Montgomery College is an academic institution that is committed to equal opportunity and fostering diversity among its student body, faculty and staff. Inquiries regarding Montgomery College’s nondiscrimination compliance policies and procedures may be directed to Dr. Brenda Williams, Director of Employee & Labor Relations, Workforce Diversity and Inclusion, 240-567-5367.
Registration Options

Policy

The following are general guidelines taken from the College policy on residency for tuition purposes. A complete copy of the policy is available in the Montgomery College Catalog.

A. Students attending Montgomery College will pay tuition according to their residency classification.

To qualify for in-state tuition, a student must be a U.S. Citizen, Permanent Resident or have a qualifying Visa status.

B. To qualify, for tuition purposes, as a resident of the state of Maryland, legal domicile must have been maintained for a period of not less than three months prior to the first regularly scheduled class for the semester; unless you are a member of the Military covered under HB935.

C. The domicile of a person registering in a noncredit course at Montgomery College shall be considered as a person’s permanent place of abode, where physical presence and possessions are maintained, and where he/she intends to remain indefinitely.

Refund Policy

Refunds are paid at 100% for classes canceled, dropped online, or in person (using a Drop Form), prior to the start date of the class. Refunds are also paid at 100% if class is dropped prior to the Refund Date printed on your registration confirmation. DO NOT drop classes online on or after the day the class begins; you will not receive a refund. APPE students must call 240-567-7262 for refund/withdrawal instructions. Refunds for open enrollment classes will go to the registered student of record. For the Drop Form and more information, visit www.montgomerycollege.edu/wdce/register/refundpolicy.html.

Transfer Policy

To transfer from one CRN to another CRN of the same course, a letter must be received in the Admissions, Records, and Registration Office, Montgomery College, 51 Mannakee Street, Rockville, MD 20850 before the beginning date of both CRNs of the course. If you have enrolled in a co-listed course you will have only one day after the class has begun to transfer. After that, you are committed to your path for the remainder of the course. If the course has a required assessment level to be a credit student, you must first complete the assessment testing and meet the appropriate assessment level before you can change to credit status.

Questions?

Call 240-567-5188.

Tuition Installment Plan (TIP)

The Tuition Installment Plan (TIP) may allow students to pay registration charges in several payments; some restrictions apply. Each term is independent and must be enrolled in separately. A nonrefundable fee is required to participate in TIP. Students must register online during the TIP enrollment period prior to the close date indicated for each plan. Only courses with a TIP code have a tuition installment plan available. For more information go to www.montgomerycollege.edu/wdce/registerops.html.

Tuition Waiver

Only noncredit courses designated “tuition waiver applies” in each publication will be available for tuition waiver. This statement appears in each applicable course description. Only tuition is waived; required fees must be paid by the student. Documents must be received at time of registration.

Senior Tuition Waiver (TWA): Maryland residents 60 years or older by the start date of the class may have tuition waived.

Disability Tuition Waiver: Please go to montgomerycollege.edu/wdce/register/disabilitywaiver.html for information.

National Guard Tuition Waiver: If you are currently a member of the Maryland National guard and are enlisted for at least a 24-month period, you are eligible for a 50 percent tuition waiver. You must submit proof of such from the adjutant general’s office.

VA-Approved Course: Courses indicated with this VAA code are approved for VA educational benefits under Title 38, U.S.C., Section 3676. (Post 9/11 GI Bill). For more information, visit www.montgomerycollege.edu/wdce/registerops.html.

GREAT NEWS!

As Covid–19 conditions continue to improve, we will continue to transition some classes back to campus!

I certify that the information on this registration is correct and complete. I am aware of and will adhere to College policies as published in the Student Handbook. I understand that non-attendance and/or failure to file all registration changes in writing with the Admissions and Records Office does not relieve me of responsibility for tuition and fee charges incurred. I agree to abide by the policies and procedures of the College, including without limitation, the Student Code of Conduct and any payment liabilities. I hold the College harmless for any errors I have made that may affect a request for a subsequent refund or academic appeal.

Nonprofit Leadership Boot Camp
Application cycle is open for the Fall 2021 Boot Camp.
Join us as we delve deeper to understand nonprofits in a fun and creative setting.
Our current experiences with a global pandemic and broad-scale social movements have amplified the need to deeply understand what it takes to create change and design organizational structures that have efficacy and can effectively adapt to rapidly, and at times dramatically, changing environments.
Priority consideration date is Wednesday, August 18, 2021.

**Resilient MC**

Throughout the ongoing pandemic, Montgomery College has prioritized the health and safety of its students and employees above all else. As we move into the next phase of teaching, learning, and working, this will continue to guide all of our decisions about the structure of our education programs and delivery of key services.

Watch and listen to our Conversation with Leadership: Resilient MC, where MC President DeRionne Pollard and senior vice presidents shared how the college is planning for the next phase of its resilient response to COVID-19.
