Building and Construction Programs

At a Glance Schedule Fall 2025

GITE offers both credit and noncredit courses. The Architecture and Construction Management, as well as the Building and Construction courses listed below are noncredit courses. They are co-listed with students taking the class for credit (degrees). These are for students who are interested in enhancing their current skills or gaining personal knowledge. If you are interested in pursuing a degree you should register for the credit class.

This schedule is provided to help you plan, and is subject to change without notice. No classes Tuesday 10/21 or November 26 or 27. For more information including course descriptions and pricing visit the WDCE brochure or the GITE website.
