1. Click on WDCE Web Registration and follow the instructions below. Call Customer Service at 240-567-5188 if you need additional help.

2. Click on the + under “Web Registration Instructions for New Students” and click on Web Application Login

Web Registration for New Students.

You are considered a new student if you have never taken a class or event sponsored by Montgomery College.

Web Registration Instructions for New Students

The first thing you will need to do is create your "Web Application". Please follow directions. You will be admitted for the term you state on your admissions application and will remain admitted to Montgomery College for ALL future terms and at ALL campuses for WDCE classes only.

Before you start your web application for first time users please note these two important items.

- When you select Application Type make sure you apply as a WDCE Workforce Dev & CE student to avoid the nonrefundable $25.00 charge.
- You will initially create a temporary login id and pin for web admissions only. Later in the process after you create your security questions, a NEW MyMC login ID and Pin will be issued to you once you are admitted. Please be sure to write these down.

Start the Web Application

- Here is the link to Web Application Login. In the lower left of this page there is a link to "First time user account creation". Click on that link to start your web application.
- Follow the directions to create your admissions login and pin, click login to go to the next page.
- Follow the instructions to complete your application.
- Once you receive the “Thank you for Applying” letter, print it and follow instructions to create a new PIN and

3. Click on “First time user account creation”

---

**Acceptable Use of Information Technology**

I. To provide adequate and continuing support of the instructional mission of the College, it is the intent of the Board of Trust technology resources made available by the Board to students, faculty and staff, and any non-College individuals and entities acceptable standards for all users with regard to the use of facilities, equipment and tools, as well as acceptable standards of apply to the use of information technology resources as well. The ability to use these resources is a Board of Trustees’ priorities and available funding. No one can or should assume that because this policy is silent on a particular doing something, that it is then acceptable, condoned, or legal.

II. The College, through policies, procedures, and regulations has already established acceptable uses of College resources, available to all students, faculty and staff regarding such issues as harassment, standards of behavior, plagiarism, conflict of int Trustees’ policies and the Montgomery College Student Handbook. There already exist federal, state, and local laws, rules and other unlawful acts. Those same disciplinary actions that apply to the misuse of other resources and behaviors may be applied who request and/or are given access to College-owned and operated information technology resources agree to use those re College and in compliance with Board of Trustees’ policies, as well as all applicable laws, procedures, rules and regulations.

III. The President is authorized to establish procedures to implement this policy.
