

Information Technology Institute, ITI, Spring 2022 At a Glance Schedule

COVID Vaccinations. Students must submit proof of COVID-19 vaccination by January 7, 2022 (or have an approved exception from the College) to access on-campus classes and services for the spring classes that begin January 24. For WDCE in-person classes during the Spring term (late January, February, March, April) the student must submit proof of vaccination two weeks before the class start time. The vaccination portal should be available in early December. For more information visit <https://www.montgomerycollege.edu/coronavirus/vaccines.html#student>
