Learn a World Language—Expand Your Opportunities

Workforce Development and Continuing Education
montgomerycollege.edu/wdce | 240-567-5188
World Language classes can help you realize your goal of learning a new language without worrying about grades or big exams. In most languages, all levels are taught, from beginner to advanced. Not all courses are offered every semester. The goal of our language courses is to help you communicate in the language as quickly as possible. Part of every class is devoted to conversation practice; grammar is taught to support this goal of communication. You will be delighted with how much you are able to say, even after the first class.

Textbooks for World Language Classes

Most world language classes with a course code beginning with ‘LAN’ require textbooks. Many texts are used for more than one year of study. Text costs are in addition to course fees. You may purchase your book through the Rockville Campus Bookstore. Go to bkstr.com/montgomerycollege.store/home for more details about purchasing, buybacks, returns, contact information, etc.

World Language Students: Not sure of your level?

Ask yourself: If I am in a situation where I must speak the language, how well am I able to understand and be understood? Then read through the course descriptions and register for the level that seems most appropriate. When you go to the first class you may confer with the instructor and then transfer to a more appropriate level if necessary. If you need more assistance, contact Laura Weihrauch at laura.weihrauch@montgomerycollege.edu or 240-567-1862.

Resilient MC

Throughout the ongoing pandemic, Montgomery College has prioritized the health and safety of its students and employees above all else. As we move into the next phase of teaching, learning, and working, this will continue to guide all of our decisions about the structure of our education programs and delivery of key services.

Watch and listen to our Conversation with Leadership: Resilient MC, where MC President DeRionne Pollard and senior vice presidents shared how the college is planning for the next phase of its resilient response to COVID-19.
