Learn a World Language—Expand Your Opportunities

Workforce Development and Continuing Education
montgomerycollege.edu/wdce  |  240-567-5188
World Language classes can help you realize your goal of learning a new language without worrying about grades or big exams. In most languages, all levels are taught, from beginner to advanced. Not all courses are offered every semester. The goal of our language courses is to help you communicate in the language as quickly as possible. Part of every class is devoted to conversation practice; grammar is taught to support this goal of communication. You will be delighted with how much you are able to say, even after the first class.

**Textbooks for World Language Classes**

Most world language classes with a course code beginning with ‘LAN’ require textbooks. Many texts are used for more than one year of study. Text costs are in addition to course fees. You may purchase your book through the Rockville Campus Bookstore. Go to bkstr.com/montgomerycollege.store/home for more details about purchasing, buybacks, returns, contact information, etc.

**World Language Students: Not sure of your level?**

Ask yourself: If I am in a situation where I must speak the language, how well am I able to understand and be understood? Then read through the course descriptions and register for the level that seems most appropriate. When you go to the first class you may confer with the instructor and then transfer to a more appropriate level if necessary. If you need more assistance, contact Laura Weihrauch at laura.weihrauch@montgomerycollege.edu or 240-567-1862.

**Latest Information**

MyMC is your communication portal. The College will send emails to your MC email account. Be sure you can login to MyMC before your class starts. If you need help logging into your account, call 240-567-5188 for more information.

Spanish in Our Community/Español en Nuestra Comunidad

Multi-media excerpts from local Spanish media, weekly community calendars and news events are used to generate discussion on social, political, and economic challenges facing the Hispanic population. Each week features a guest from a different sector in the greater Hispanic community to share their immigration story and engage the class in conversation.
